Section III

Procedure for Assessment of Documents. Award of Certificate. Refusal to Award

Article 11. (1) (Amended, SG No. 36/2014, effective 25.04.2014) Upon receipt of the application and documents covered under Article 4 (1) herein, the said application and documents shall be filed at the records office of the Agency, noting the date of submission of the application, the sequential number, the particulars of the applicant (business name/names, registered office and address of the place of management/permanent address).

(2) (Supplemented, SG No. 62/2010) The Executive Director or an official empowered thereby shall designate officers of the Agency to assess the application and the documents for conformity with the requirements of the IPA and of these Regulations, in case this activity is not carried out by an organisational structure according to the Structural Regulations of the Invest Bulgaria Agency.

(3) (Amended, SG No. 36/2014, effective 25.04.2014) The assessment referred to in Paragraph (2) shall furthermore include a verification for conformity of the costs of the investment project to the financial capacities of the investor and sources of financing, certified by the application and the documents covered under Article 4 (1) herein, as well as to the terms established under Article 12 and Items 2 and 3 of Article 13a of the IPA.

(4) (Amended, SG No. 62/2010, SG No. 36/2014, effective 25.04.2014, supplemented, SG No. 80/2025, effective 30.09.2025) In case the employees referred to in Paragraph (2) ascertain any non-conformities and/or deficiencies in the application and the documents referred to in Article 4 (1) herein within 14 days, the investor shall be notified in writing of the said non-conformities and/or deficiencies and shall be allowed up to two months from the submission of the application to cure the said non-conformities and/or deficiencies.

(5) The investor shall be notified by the Executive Director of the Agency or by an official empowered thereby, with the notice being dispatched on a paper-based data medium or by electronic means in one or several of the following manners:

1. registered letter with an addressee's acknowledgement of receipt;
2. on a paper-based data medium according to the procedure established by Item 1 and via electronic mail without use of an electronic signature;
3. by electronic means with use of an electronic signature.

(6) If the notice is not accepted by the person at the address named thereby, the notification shall be considered effected by posting the said notice in a place expressly designated for this purpose at the building of the Agency.

Article 11a. (New, SG No. 36/2014, effective 25.04.2014) (1) After receipt of the application referred to in Article 11 (1) herein, the Executive Director or an official empowered thereby shall issue the applicant a certificate completed in a standard form according to Annex 2 hereto.

(2) Upon presentation of the certificate referred to in Paragraph (1), the executive authorities and the administrations thereof shall be obligated to provide full assistance to the investor in obtaining documents required for the issuing of the investment class certificate and to notify the Agency of the officials/units designated to provide information services referred to in the certificate.

Article 12. (1) (Amended, SG No. 62/2010, SG No. 36/2014, effective 25.04.2014) Where, upon assessment of the application and the documents covered under Article 4 (1) herein, it is incumbent to perform an evaluation within the competence of another authority, the Executive Director of the Agency shall forward the investment project and shall request presentation of an opinion in the cases where:

1. a specific economic activity or products produced for implementation of the investment project have to be evaluated;
2. (amended, SG No. 62/2010, SG No. 24/2013, effective 12.03.2013, SG No. 80/2025, effective 30.09.2025) the possibilities for application of the investment promotion measures under Articles 22, 22a, 22b, 22c, 22e or Article 22f (3) of the IPA have to be evaluated in advance;
3. (amended, SG No. 41/2018, effective 18.05.2018) the procedures under Chapter Five of the State Aids Act must be applied.

(2) The competent authorities shall present the opinions thereof within fourteen days after receipt of the request, with the exception of the cases where a special law provides otherwise.

Article 13. (1) (Amended, SG No. 62/2010, SG No. 36/2014, effective 25.04.2014) After performance of an assessment of the application and the documents covered under Article 4 (1) herein, the officers referred to in Article 11 (2) herein shall prepare an opinion on the issuing of an investment class certificate.

(2) (Amended and supplemented, SG No. 36/2014, effective 25.04.2014, amended, SG No. 40/2015, SG No. 43/2022, effective 10.06.2022) On the basis of the opinion so prepared, the Executive Director or the official empowered thereby shall provide the Minister of Innovation and Growth with a reasoned proposal to issue or to refuse to issue a certificate within thirty days after receipt of the application or after the curing of the non-conformities and/or deficiencies under Article 11 (4) herein.

(3) The proposal referred to in Paragraph (2) shall contain:

1. a full and accurate reasoned evaluation for the issuing of an investment class certificate in accordance with the requirements of the IPA and of these Regulations, or
2. grounds for a refusal to issue an investment class certificate under Article 19a of the IPA.

(4) (Amended, SG No. 36/2014, effective 25.04.2014) The application and the documents covered under Article 4 (1) herein shall be attached to the application.

(5) Where any non-conformities and/or deficiencies are ascertained according to the procedure established by Article 11 (4) herein, the time limit referred to in Paragraph (2) shall begin to run as from the date of the curing of the said non-conformities and/or deficiencies.

(6) (Amended, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 43/2022, effective 10.06.2022) In the case of any non-conformities and/or deficiencies ascertained according to the procedure established by Article 11 (4) herein, which are not cured within six months reckoned from the date of submission of the application, the Executive Director shall notify the Minister of Innovation and Growth of the expiry of the time limit according to the procedure established by Paragraph (2).

Article 14. (1) (Supplemented, SG No. 20/2009, effective 17.03.2009, amended, SG No. 62/2010, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 43/2022, effective 10.06.2022) The Minister of Innovation and Growth or an official empowered thereby shall examine the proposal referred to in Article 13 (2) herein and:

(Amended, SG No. 20/2009, effective 17.03.2009, SG No. 62/2010, supplemented, SG No. 24/2013, effective 12.03.2013) The electronic database referred to in Article 17 (1) herein shall be maintained by officials designated by the Executive Director of the Agency and/or by an organisational structure according to the Structural Regulations of the Invest Bulgaria Agency, and the data shall be updated annually with the information received in accordance with Article 19a herein. The electronic database referred to in Article 17 (6) herein shall be maintained by officials designated by the municipality mayor.

Article 19. (1) (Amended, SG No. 62/2010, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 43/2022, effective 10.06.2022) Upon any change in the circumstances entered into the electronic database, investors shall be obligated to submit an application to the Ministry of Innovation and Growth through the Agency within fourteen days after occurrence of any such change.

(2) The documents certifying the change shall be attached to the application referred to in Paragraph (1).

(3) Upon occurrence of a succession in title in respect of the enterprise or production which is subject to the investment, the new person shall present the documents referred to in Paragraph (2), as well as:

1. (amended, SG No. 20/2009, effective 17.03.2009, repealed, SG No. 36/2014, effective 25.04.2014);
2. (amended, SG No. 36/2014, effective 25.04.2014, SG No. 88/2015, effective 13.11.2015) a report on the performance of the initially applied for investment project, approved by the Executive Director and published on the website of the Agency.
- (4) (Supplemented, SG No. 62/2010) The change shall be entered according to the procedure established by Articles 13 and 14 herein after an evaluation of the documents presented within fourteen days after receipt of the application.
- (5) (Supplemented, SG No. 95/2020, effective 6.11.2020) Entry shall be effected subject to compliance with the requirements of Articles 13 and 13a of the IPA, which shall be certified by a declaration regarding circumstances that are not changed and by documents regarding the circumstances changed.
- (6) Where the change in the circumstances entered into the electronic database entails a change in the particulars entered in the certificate, a certificate shall be issued showing the circumstances changed. The new certificate shall be provided after return of the previously issued certificate.
- (7) (Amended, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 43/2022, effective 10.06.2022) In case the initially issued certificate is lost or destroyed, the Minister of Innovation and Growth shall issue a replacement of the certificate after the investor submits an application attaching a written declaration of the circumstances whereunder the certificate was lost or destroyed.
- (8) (New, SG No. 24/2013, effective 12.03.2013) Upon any change in the circumstances entered into the electronic database referred to in Article 17 (6) herein, investors shall be obligated to submit an application to the municipality mayor within fourteen days after occurrence of any such change, describing the change which has occurred and attaching the relevant documents certifying the change.

Article 19a. (New, SG No. 20/2009, effective 17.03.2009, supplemented, SG No. 24/2013, effective 12.03.2013, SG No. 82/2022, effective 14.10.2022, amended, SG No. 80/2025, effective 30.09.2025) At the end of each year within the period of validity of the certificate and within the period of maintenance of the investment and employment according to Items 7 and 8 of Article 12 (2) of the IPA, the certified investors shall submit to the Executive Director of InvestBulgaria Agency information about the progress of the investment project thereof, including data about the amount of the invested funds, according to the investment plan thereof, the observance of the schedule, the jobs created, the promotion measures under the IPA enjoyed and the State aid granted. The information consolidated by the InvestBulgaria Agency shall be submitted to the Minister of Innovation and Growth until the end of the second quarter of the current year.

Article 19b. (New, SG No. 80/2025, effective 30.09.2025) (1) In the cases referred to in Article 20b of the IPA, where the immovables wherein the implementation of a certified investment projects are affected to a degree rendering the said immovables unusable as intended, the investor may submit a request to the InvestBulgaria Agency for assistance in finding a new ground or grounds possessing the requisite characteristics.

(2) Upon the submission of the request referred to in Paragraph (1), where the grounds for the said submission are any legally non-conforming instruments, acts or omissions by authorities and officials impeding the execution of the investment project, the investor shall enclose an enforceable judgment whereby the legal non-conformity is established.

(3) Where the grounds are force majeure, constituting an unforeseen or unavoidable event of an extraordinary nature which has occurred after the certification of the investment project, the request shall be submitted, accompanied by documents issued by State bodies, bodies of local self-government, or by an independent organisation proving beyond dispute the cases of force majeure that have occurred. The investor shall be obliged to notify the InvestBulgaria Agency in writing within 30 days of the occurrence of the event and to provide copies of the relevant documents.

(4) In the cases referred to in Article 20b of the IPA, the InvestBulgaria Agency shall assist the investor in the search for suitable alternative immovables and, to this end:

1. in cooperation with the relevant competent authority referred to in Article 22a of the IPA, shall gather and analyse information about immovables suitable for the implementation of the investment project;
2. should any immovables be identified as suitable, shall offer the said immovables to the investor for approval;
3. where necessary, shall perform intermediation and contact between the investor and the competent authority referred to in Article 22a of the IPA.

(5) The investor shall be obliged to undergo a re-certification procedure for the investment project if the immovable approved by the said investor is located in another municipality or the relevant parameters of the project have been changed, with the investor returning the initially issued certificate to the InvestBulgaria Agency prior to the submission of the application referred to in Article 18(1) of the IPA.

Chapter Three

PROCEDURE FOR INDIVIDUALIZED ADMINISTRATIVE SERVICES BY INVEST BULGARIA AGENCY AND LOCAL EXECUTIVE AUTHORITIES

(Heading amended, SG No. 62/2010)

Article 20. (1) (Supplemented, SG No. 62/2010) Individualised administrative services shall be provided by officers of the Agency in dealings with the central government authorities at the request of an investor who has been awarded a Class A investment certificate or a priority investment project certificate.

(2) (Supplemented, SG No. 62/2010) Any such request shall be submitted to the Agency by the investor or by a person authorised thereby according to the procedure established by Article 7 (1) herein.

(3) Any such request shall be entered in an incoming register, noting the date of receipt thereof.

Article 21. (1) (Supplemented, SG No. 62/2010) Individualised administrative services shall be performed by officers designated according to a list endorsed by the Executive Director of the Agency, in case this activity is not carried out by an organisational structure(s) according to the Structural Regulations of the Invest Bulgaria Agency.

(2) In respect of each request entered, the Executive Director of the Agency shall designate the officers who will provide the individualised administrative services as may be necessary for the performance of the relevant investment project.

Article 22. (1) (Amended, SG No. 62/2010) Upon implementation of individualised administrative services, the officers referred to in Article 21 (1) herein shall be obligated:

1. to provide investors with a clear, accurate, reliable and comprehensive information on issues within the competency of the Agency and to facilitate the addressing of specific problems which arise in the course of implementation of the investment;
2. to answer queries in connection with the requisite procedures and to refer the said queries to the administrative authorities competent to address the relevant question;
5. to contact other executive and local authorities and to facilitate the arrangement of meetings between investors and the relevant competent authorities.

(2) The investor may authorise the officers referred to in Article 21 (1) herein:

1. to submit to the relevant competent authorities and to receive therefrom all requisite documents for implementation of the investment project, or

2. to participate, together with representatives of the investor, in all activities related to the submission to the relevant competent administrative authorities and to the receipt thereof of all requisite documents for implementation of the investment project.

(3) The investor shall co-operate with the officers of the Agency by providing the necessary documents, including documentary proof of payment of fees.

(4) Individualised administrative services shall be provided by the Agency free of charge. Any fees established by a statutory instrument for the issuing of documents and/or for the performance of administrative services shall be for the account of the investor.

Article 23. (1) (Previous text of Article 23, supplemented, SG No. 62/2010) Except for the cases referred to in Article 20 (1) herein, individualised administrative services shall be provided by officials of the local executive authorities in dealings with the relevant competent authorities at the request of an investor who has been awarded a Class A investment certificate or a priority investment project certificate.

(2) (New, SG No. 62/2010) The request referred to in Paragraph (1) shall be submitted by the investor or by a person authorised thereby according to the procedure established by Article 7 (1) herein through the Agency or directly to the relevant local executive authority.

(3) (New, SG No. 62/2010) Any such request shall be entered in an incoming register, noting the date of receipt thereof.

(4) (New, SG No. 62/2010) Upon implementation of individualised administrative services, the officers referred to in Paragraph (1) shall be obligated:

1. to provide clear, accurate, reliable and comprehensive information on the procedures required for the implementation of the project, which shall include:

(a) accurate designation of the administration;

(b) seat and address, as well as the addresses of the territorial units, if any;

(c) contact details: telephone, electronic mail address and Internet site;

(d) business hours of the administrative services unit at the administration;

(e) regulatory framework relevant to the provision of the administrative service;

2. to answer queries in connection with the required procedures and to refer questions to the administrative authorities competent to address the relevant question;

3. to clarify the requirements which the application or the request for implementation of the administrative service, the complaint, protest, alert or proposal must meet under the relevant procedure;

4. to provide the investor with:

(a) comprehensive and accurate information about the documents required, the deadlines and the fees under the special laws;

(b) standard forms of documents which must be completed for the provision of the administrative service;

(c) information about the period of validity of the individual administrative act for the issuing of which an application is submitted;

5. to contact the relevant competent authorities and to facilitate the issuing and receipt thereof of all documents necessary for the implementation of the relevant investment and for carrying out of the economic activity related to the said investment.

(5) (New, SG No. 62/2010) The investor may authorise the officers referred to in Paragraph (1) and provide the assistance required according to the procedure established by Article 22 (2) and (3) herein.

(6) (New, SG No. 62/2010) Individualised administrative services shall be provided by the local executive authorities referred to in Paragraph (1) free of charge. Any fees established by a statutory instrument for the issuing of documents and/or for the performance of administrative services shall be for the account of the investor.

Article 24. (1) The Executive Director of the Agency shall notify the relevant local executive authority exercising competence over the location of the investment of the intention of the

investor to use individualised administrative services specified in the application referred to in Article 4 herein.

(2) The notification referred to in Paragraph (1) shall furthermore include a request to the relevant local executive authority to designate the officers who will implement the individualised administrative services to the investor.

(3) (Repealed, SG No. 62/2010).

Article 25. (Amended, SG No. 62/2010) All executive authorities shall be obligated to cooperate with the officers, providing individualised administrative services.

Article 26. (Supplemented, SG No. 62/2010) Individualised administrative services shall be provided for the period of implementation of the Class A investment or the priority investment project and the economic activity related to the said investment, but the period of the said services may not exceed the period of validity of the certificate.

Article 27. Administrative services under this Section shall be implemented in compliance with the principles and procedure established by the Administration Act, the Administrative Procedure Code and the statutory instruments on the application thereof.

Chapter Four

SALE, LEASE AND ONEROUS CREATION OF LIMITED RIGHT IN REM TO CORPOREAL IMMOVABLE CONSTITUTING PRIVATE STATE PROPERTY, PRIVATE MUNICIPAL PROPERTY OR PROPERTY OF CERTAIN PUBLIC ENTERPRISES

(Heading amended, SG No. 62/2010, SG No. 80/2025, effective 30.09.2025)

Article 28. (1) (Amended, SG No. 80/2025, effective 30.09.2025) A sale or an onerous creation of a limited right in rem to a corporeal immovable and lease of land tracts under Article 19 of the Agricultural Land Ownership and Use Act, which are unirrigated land tracts of Category Seven to Ten or non-categorizable land tracts, for a term not exceeding ten years, under Article 22a of the IPA, shall be effected if the following conditions apply:

1. (amended, SG No. 62/2010) the investor has presented a request to the relevant competent authority referred to in Article 22a (1) or (10) of the IPA, and

2. (amended, SG No. 62/2010) a Class A or Class B investment certificate or a priority investment project certificate has been issued to the investor.

(2) (Amended, SG No. 62/2010) The request referred to in Item 1 of Paragraph (1) must state the business name of the investor, the number and date of the investment class certificate and the corporeal immovable with the location identified in the investment project for which a certificate has been issued and the agreement/memorandum of understanding on a priority investment project as approved by a Council of Ministers Decision.

(3) (Amended and supplemented, SG No. 20/2009, effective 17.03.2009, amended, SG No. 24/2013, effective 12.03.2013, SG No. 36/2014, effective 25.04.2014, SG No. 95/2020, effective 6.11.2020, amended, SG No. 80/2025, effective 30.09.2025) The request in writing referred to in Item 1 of Paragraph (1) shall be accompanied by the application referred to in Article 4 (1) herein, the documents referred to in Item 4 of Article 16, if applicable, and Item 5 of Article 16 of the IPA and documents on an incorporated combination under Article 17 of the IPA, where applicable.

(4) (Amended, SG No. 82/2022, effective 14.10.2022) Any buildings and other works, which have been financed by resources of the European Union and/or by public funds, regardless of the source

of financing and the granting authority, may not be subject to the request referred to in Item 1 of Paragraph (1) and to the contract referred to in Article 31 herein until the expiry of the period of applicability of any prohibitions to dispose of or other relevant restrictions with regard to the building or work, as provided for in the financing rules. The contract referred to in Article 31 herein shall indicate the circumstances about the presence or absence of any such financing and, if applicable, about the grounds and the date of expiry of the applicable period of the relevant prohibition or other restriction.

(5) (New, SG No. 62/2010, amended and supplemented, SG No. 88/2015, effective 13.11.2015, repealed, SG No. 95/2020, effective 6.11.2020).

(6) (New, SG No. 80/2025, effective 30.09.2025) In the cases referred to in Item 5 of Article 22a (1) of the IPA, an alteration of the assigned use of land tracts from agricultural to non-agricultural needs shall be effected under the terms and according to the procedure established by the Agricultural Land Conservation Act.

Article 29. (1) (Amended, SG No. 62/2010, supplemented, SG No. 80/2025, effective 30.09.2025) After obtaining written consent from the authorities and persons referred to in Article 22a (1) or (10) of the IPA, the relevant competent authority shall empower officials to conduct negotiations with the investor on the conclusion of a contract with the investor for sale or onerous creation of a limited right in rem to a corporeal immovable.

(2) Upon conduct of the negotiations, the relevant competent authority may require in writing from the investor additional information in connection with the application of the measure referred to in Article 22a of the IPA, allowing a suitable time limit for provision of the said additional information.

(3) (New, SG No. 62/2010) The authority or person referred to in Paragraph (1) may commission an assessment of the adequacy of the size of the immovable necessary for the performance of the investment project, according to Article 22a (2) of the IPA.

Article 30. (1) (Redesignated from Article 30, SG No. 62/2010, supplemented, SG No. 80/2025, effective 30.09.2025) The corporeal immovable or the limited right in rem shall be appraised and the lease price in the cases of Item 5 of Article 22a (1) and Article 22 (11) of the IPA shall be set complying with the following requirements:

1. prior to commencement of the negotiations referred to in Article 29 (1) herein, the procedure referred to in Article 22a (2) of the IPA shall be applied for the purpose of arriving at a market price based on generally accepted market benchmarks and standards for the appraisals, which shall be considered a minimum purchase price;

2. (Amended, SG No. 62/2010, SG No. 24/2013, effective 12.03.2013) the procedure referred to in Article 22a (2), Item 3 of Article 22h (3) and Item 5 of Article 22i of the IPA shall be applied by independent appraisers having at least three years of professional experience in valuation of corporeal immovables.

(2) (New, SG No. 62/2010, amended, SG No. 88/2015, effective 13.11.2015, SG No. 41/2018, effective 18.05.2018) Where immovables are transferred or [rights] are created at prices lower than the market prices for the purpose of promoting priority investment projects:

1. the appraisal referred to in Paragraph (1): shall include the difference between the market price and the selling price, where the latter shall not be lower than the tax assessment of the immovable; the market appraisal and the tax assessment of the immovable must be valid as at the date of effecting of the disposal transaction in the immovable under Article 1 herein;

2. the difference arrived at under Item 1 shall be the gross grant equivalent of State aid for meeting the requirements for granting regional investment aid under Article 53 herein and shall be incorporated in the contract under Article 31 (1);

3. the aid shall be considered as transparent within the meaning of Article 5, paragraph 2, letter (k) of Regulation (EU) No. 651/2014 of 17 June 2014.

(3) (New, SG No. 62/2010) An appraisal by an independent appraiser shall be conducted in the cases of application of the measure of letting out [immovables] under Article 22a (11) of the IPA for priority investment projects.

Article 30a. (New, SG No. 95/2020, effective 6.11.2020, amended, SG No. 80/2025, effective 30.09.2025) An acquisition of rights in rem to immovables at market prices under Article 22a (1) and Item 1 of Article 22a (10) of the IPA and lease under Item 5 of Article 22a (1) and Article 22a (11) of the IPA, including for priority investment projects, shall not constitute State aid where the conditions under Article 28, Article 29 and Article 30 (1) and (3) herein are fulfilled.

Article 31. (1) A contract for sale or onerous creation of a limited right in rem to a corporeal immovable under Article 22a of the IPA and the performance of the investment project shall be concluded between:

1. (amended, SG No. 80/2025, effective 30.09.2025) the investor and/or the persons referred to in Article 17 of the IPA, of the one part, and
 2. (amended, SG No. 62/2010) the relevant competent authority referred to in Article 22a (1) or (10) of the IPA, and
 3. (repealed, SG No. 20/2009, effective 17.03.2009).
- (2) (Amended, SG No. 62/2010, supplemented, SG No. 88/2015, effective 13.11.2015, amended, SG No. 95/2020, effective 6.11.2020) The contract referred to in Paragraph (1) shall contain all requirements of the IPA with regard to the investment project and the investor, as well as the conditions and requirements for the granting of State aid under the regional investment aid scheme:
1. subject matter of the contract;
 2. contracting parties;
 3. title of the investment project;
 4. principal rights and obligations;
 5. (supplemented, SG No. 80/2025, effective 30.09.2025) type and amount of the investment under the investment project;
 6. time limit for performance of the investment project and period for maintenance of the investment under Item 8 of Article 12 (2) of the IPA;
 7. description of the immovable subject to the sale or to the creation of a limited right in rem, according to the requirements of the Cadastre and Property Register Act;
 8. price of the immovable or of the limited right in rem, and in the cases of sale at a price lower than the market price for priority investment projects, the difference, arrived at in accordance with Article 30 (2) herein, shall be mandatorily identified as State aid under the regional investment aid scheme;
 9. time limit and conditions for transfer of the immovable or for creation of the right in rem;
 10. prohibition to dispose of and to encumber the immovable with charges, as well as to transfer the limited right in rem to the corporeal immovable to another person in accordance with Article 22a (7) of the IPA;
 11. (amended, SG No. 80/2025, effective 30.09.2025) type and amount of the collateral;
 12. (amended, SG No. 88/2015, effective 13.11.2015, repealed, renumbered from Item 13, SG No. 80/2025, effective 30.09.2025) manner and time limit for reporting the execution of the investment project, taking into account the eligible costs of the investments under Article 54 herein;
 13. (renumbered from Item 14, SG No. 80/2025, effective 30.09.2025) type and extent of the liability incurrable for non-fulfilment of the obligations under the contract;
 14. (renumbered from Item 15, SG No. 80/2025, effective 30.09.2025) control over the fulfilment of the obligations by the parties;
 15. (renumbered from Item 16, SG No. 80/2025, effective 30.09.2025) methods of settlement of disputes between the parties;
 16. (amended, SG No. 24/2013, effective 12.03.2013, renumbered from Item 17, SG No. 80/2025, effective 30.09.2025) grounds for early termination or rescission of the contract, including under the terms established by Article 22a (3) and (13) of the IPA or upon ascertainment of arrears within the

meaning given by Item 5 of Article 16 (1) of the IPA, unless the payments due are paid within a time limit suitable for the parties, as well as the rights of the party not at fault;

17. (renumbered from Item 18, SG No. 80/2025, effective 30.09.2025) other elements on which the parties have reached agreement.

18. (amended, SG No. 88/2015, effective 13.11.2015, renumbered from Item 19, amended, SG No. 80/2025, effective 30.09.2025) the amount of stamp duties due upon alteration of the assigned use of the land from agricultural to non-agricultural needs which will not be paid, the said amount constituting a gross grant equivalent of the aid for the implementation of priority investment projects under Article 22a (12) of the IPA, as well as the beneficiary of State aid under the regional investment aid scheme;

19. (new, SG No. 82/2022, effective 14.10.2022, renumbered from Item 20, SG No. 80/2025, effective 30.09.2025) the circumstances referred to in Article 28 (4) herein;

20. (new, SG No. 82/2022, effective 14.10.2022, renumbered from Item 21, SG No. 80/2025, effective 30.09.2025) an explicit indication that the authority disposing of the corporeal immovable or the limited right in rem is the aid administrator and that the date of conclusion of the contract is the date of granting of the aid, in the cases of State aid under Article 22a (9) and Item 2 of Article 22a (10) of the IPA.

(3) The investment project shall constitute an integral part of the contract referred to in Paragraph (1).

(4) The contract referred to in Paragraph (1) shall be concluded in writing and shall be recorded by order of the recording magistrate exercising jurisdiction over the location of the immovable.

(5) The costs of the sale of the corporeal immovable or of the creation of the limited right in rem shall be for the account of the investor.

(6) (Amended, SG No. 62/2010, SG No. 80/2025, effective 30.09.2025) The collateral shall apply to the period referred to in Item 4 of Article 12 (2) of the IPA. After the reporting of the execution of the investment project with regard to commissioned assets and/or appointed employees, for the period for maintenance of the investment under Item 8 of Article 12 (2) of the IPA, the authority referred to in Item 2 of Article 31 (1) herein may agree on the furnishing of collateral of a type other than the type agreed for the period of execution of the investment, in accordance with the requirements of Article 22a (7) of the IPA.

(7) (New, SG No. 62/2010, supplemented, SG No. 88/2015, effective 13.11.2015, amended, SG No. 82/2022, effective 14.10.2022, SG No. 80/2025, effective 30.09.2025) The draft contract referred to in Paragraph (1) shall be submitted to the Ministry of Innovation and Growth for an opinion regarding the conformity with the promotion measure applied for upon the certification and the fulfilment of the requirements of Article 22a (3) and (13) of the IPA.

(8) (New, SG No. 62/2010, amended, SG No. 82/2022, effective 14.10.2022, SG No. 80/2025, effective 30.09.2025) The appraisal referred to in Article 30 herein and the draft contract, cleared according to the procedure established in Paragraph (7), shall be submitted in order to obtain consent under Item 1 of Article 22a (1) of the IPA. The pronouncement under Article 22a (10) of the IPA shall be based on all documents and evidence required to verify the fulfilment of the requirements where the regional investment aid scheme is applied to priority investment projects.

(9) (New, SG No. 62/2010, supplemented, SG No. 88/2015, effective 13.11.2015) The competent authority under Paragraph (1) granting regional investment aid for priority investment projects shall perform the statutory functions of an aid administrator according to the procedure established by the State Aids Act and the Regulations for Application thereof.

(10) (New, SG No. 2/2014, amended, SG No. 80/2025, effective 30.09.2025) In cases where the immovable is transferred by public enterprises or by commercial corporations whereof the capital is owned by public enterprises whose core objects are related to attracting investments, the furnishing of another type of equivalent collateral may be agreed in the contract referred to in Item 11 of Paragraph (2), exercising due commercial care.

(11) (New, SG No. 82/2022, effective 14.10.2022) The Ministry of Innovation and Growth shall send a copy of the draft contract referred to in Paragraph (1) and the opinion referred to in Paragraph (7) to the Agency for monitoring compliance with the statutory requirements upon conclusion of the contract.

(12) (New, SG No. 82/2022, effective 14.10.2022) The relevant competent authority under Paragraph (1) shall send a copy of the contract to the Agency within seven days of the conclusion of the said contact according to Article 22a (5) of the IPA.

Article 31a. (New, SG No. 62/2010) (1) (Previous text of Article 31a, SG No. 82/2022, effective 14.10.2022) For letting out of corporeal immovables by wholly State-owned or municipal-owned corporations under Article 22a (11) of the IPA for the performance of a priority investment project, a contract shall be concluded in accordance with the effective legislation by and between:

1. (amended, SG No. 80/2025, effective 30.09.2025) the investor and/or the persons referred to in Article 17 of the IPA, implementing a priority project, of the one part, and
2. the persons representing the corporation.

(2) (New, SG No. 82/2022, effective 14.10.2022) The relevant competent authority under Paragraph (1) shall send a copy of the contract to the Agency within seven days of the conclusion of the said contact according to Article 22a (5) of the IPA.

Article 31b. (New, SG No. 80/2025, effective 30.09.2025) (1) For lease of land tracts referred to in Article 19 of the Agricultural Land Ownership and Use Act, which are unirrigated land tracts of Category Seven to Ten or non-categorizable land tracts, for a term not exceeding ten years, a contract shall be concluded under Item 5 of Article 22a (1) [of the IPA] for the execution of the investment project by and between:

1. the investor and/or the persons referred to in Article 17 of the IPA, of the one part, and
2. the relevant competent authority.

(2) The contract referred to in Paragraph (1) shall contain all requirements of the IPA regarding the investment project and the investor:

1. subject matter of the contract;
2. contracting parties;
3. title of the investment project;
4. principal rights and obligations;
5. type and amount of the investment under the investment project;
6. time limit for execution of the investment project and period for maintenance of the investment under Item 8 of Article 12 (2) of the IPA;
7. description of the immovable subject to the lease according to the requirements of the Cadastre and Property Register Act;
8. lease price for the immovable;
9. manner and time limit of reporting the execution of the investment project, taking into account the eligible costs of the investments under Article 54 herein;
10. type and extent of the liability incurable for non-fulfilment of the obligations under the contract;
11. control over the fulfilment of the obligations by the parties;
12. methods of settlement of disputes between the parties;
13. grounds for early termination or rescission of the contract, including under the terms established by Article 22a (3) of the IPA or upon ascertainment of arrears within the meaning given by Item 5 of Article 16 (1) of the IPA, unless the payments due are paid within a time limit suitable for the parties, as well as the rights of the party not at fault;
14. other elements on which the parties have reached agreement;
15. the amount of stamp duties due upon alteration of the assigned use of the land from agricultural to non-agricultural needs which will not be paid, the said amount constituting a gross grant equivalent of the aid for the implementation of priority investment projects under Article 22a (12) of the IPA, as well as the beneficiary of State aid under the regional investment aid scheme.

- (3) The investment project shall constitute an integral part of the contract referred to in Paragraph (1).
- (4) The contract referred to in Paragraph (1) shall be concluded in writing and shall be recorded by order of the recording magistrate exercising jurisdiction over the location of the immovable.
- (5) The relevant competent authority under Paragraph (1) shall send a copy of the contract to the Agency within seven days of the conclusion of the said contract according to Article 22a (5) of the IPA.

Article 32. (1) Upon the sale or creation of a limited right in rem to a corporeal immovable by the contract referred to in Article 31 (1) herein, special obligations in the public interest may be stipulated in connection with the land and the buildings but not in connection with the buyer or with the commercial activity thereof, provided that each potential buyer is required to be in a position to fulfil the special obligations, regardless of whether the said buyer carries out any activity or regardless of the nature of the said activity.

(2) The resources necessary for fulfilment of the obligations of the owner of the corporeal immovable arising from a law shall not be deducted from the selling price (such as: care of the land and the buildings and maintenance of the said land and buildings as part of the customary social obligations of the owners, payment of taxes and other such expenditures).

Article 33. (1) (Amended, SG No. 88/2015, effective 13.11.2015) Where the conditions established by this Chapter are absent, the competent local executive authorities shall notify the European Commission, subject to compliance with the procedures set out in the State Aids Act, of the intention thereof to transfer the right of ownership or to create the limited right in rem.

(2) The notification referred to in Paragraph (1) shall be effected according to the procedure established by the State Aids Act.

(3) (New, SG No. 88/2015, effective 13.11.2015) Until issuance of a positive decision by the European Commission transfer of the right of ownership or for establishment of the limited right in rem, as well as commencing works on the investment project shall not be admissible and shall constitute grounds for breaking the contract.

Article 33a. (New, SG No. 24/2013, effective 12.03.2013) (1) (Supplemented, SG No. 36/2014, effective 25.04.2014) The ordinance referred to in Article 22h (1) of the IPA on promotion of investments of municipal importance and issuing of Class C certificates under Article 22h of the IPA shall include provisions on the application of the promotion measure referred to in Item 3 of Article 22h (3) of the IPA on acquisition of a right of ownership or limited rights in rem to immovables constituting private municipal property according to the procedure established by Items 2 and 4 of Article 22a (1) of the IPA in conformity with the terms established by Article 22a (2) to (8) and (13) of the IPA.

(2) (Amended, SG No. 36/2014, effective 25.04.2014) The measure referred to in Item 3 of Article 22h (3) of the IPA shall be applicable solely where not applied for by an investor according to the procedure established by Article 18 (1) of the IPA upon the issuing of a Class A or Class B investment certificate or a priority investment project certificate for the same immovable constituting private municipal property.

(3) (Supplemented, SG No. 36/2014, effective 25.04.2014) The rights to the immovables under Item 3 of Article 22h (3) of the IPA may be transferred or created solely if the amount of the investment under Article 22h of the IPA planned as costs of acquisition of tangible fixed assets is more than quintuple the market appraisal of the immovable under Item 2 of Article 30 (1) herein. Non-fulfilment of this requirement shall be included in the respective contract with the investor as grounds for the rescission of the said contract.

(4) The ordinance referred to in Article 22h (1) of the IPA shall introduce conditions for the application of the measure referred to in Item 3 of Article 22h (3) of the IPA in accordance with the terms established under this Chapter.

(5) The measure referred to in Item 3 of Article 22h (3) of the IPA shall be applied in conformity with the regulatory framework in the State aid field.

(6) (New, SG No. 88/2015, effective 13.11.2015, amended, SG No. 95/2020, effective 6.11.2020) Investments of municipal importance and Class B certificate shall not be promoted according to the procedure established by Chapter Six and Chapter Seven "a" herein.

(Effective until 31.12.2013, SG No. 20/2009 - amended, SG No. 2/2014)

FINANCIAL SUPPORT FOR CONSTRUCTION OF PHYSICAL-INFRASTRUCTURE ELEMENTS

Article 34. (Amended, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 43/2022, effective 10.06.2022) The Minister of Innovation and Growth shall lay before the Council of Ministers a motion for promotion of one or more investment projects by the measure referred to in Article 22b of the IPA if the following conditions apply:

1. (amended, SG No. 62/2010, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 43/2022, effective 10.06.2022) a request has been received at the Ministry of Innovation and Growth in one of the manners specified in Article 7 (1) from:

(a) an investor whereto a Class A investment certificate has been issued, or

(b) (supplemented, SG No. 62/2010, repealed, renumbered from Littera (c), SG No. 80/2025, effective 30.09.2025) an investor implementing a priority investment project under Chapter Eight of these Regulations;

(c) (amended, SG No. 80/2025, effective 30.09.2025) an industrial zone or a technology park certified under the terms established by Article 22f of the IPA as priority investment projects;

(d) (new, SG No. 80/2025, effective 30.09.2025) an industrial park entered in the register of industrial parks and certified as a priority investment project under Item 1 of Article 22f (2) of the IPA;

2. (supplemented, SG No. 62/2010) presentation of a design (conceptual, schematic or working), approved by the owner of the physical infrastructure and a contracting authority under the Public Procurement Act, has been presented with a bill of quantities for construction of the physical-infrastructure elements which, according to the requirements of Article 142 of the Spatial Development Act, may serve for the issuing of a building permit and for the award of a construction work under the Public Procurement Act;

3. (supplemented, SG No. 20/2009, effective 17.03.2009, SG No. 62/2010, amended, SG No. 24/2013, effective 12.03.2013, SG No. 16/2014, effective 25.04.2014, amended and supplemented, SG No. 95/2020, effective 6.11.2020, amended, SG No. 43/2022, effective 10.06.2022, SG No. 80/2025, effective 30.09.2025) presented documents referred to in Item 4 of Article 16 (1) of the IPA, if applicable, the documents referred to in Item 5 of Article 16 (1) of the IPA, the documents referred to in Article 17, where applicable, and a declaration in a standard form endorsed by the Minister of Innovation and Growth on the State aid received during the last three years including the current year by the investor or the persons referred to in Article 17 of the IPA, in cases other than those referred to in Article 36 herein;

4. (supplemented, SG No. 20/2009, effective 17.03.2009) an investment project has been approved for promotion after conduct of a competitive procedure under Article 35 herein, where applicable;

5. the conditions covered under Articles 36 to 38 herein have been verified.

Article 35. (1) The competitive procedure shall be conducted for evaluation and selection of investment projects for promotion on the basis of the documents covered under Items 1 to 3 of Article 34 herein.

(2) (Amended, SG No. 62/2010) The evaluation referred to in Paragraph (1) shall be performed at the beginning of each quarter in four sessions during a calendar year until depletion of the funds under the IPA envisaged by the State Budget of the Republic of Bulgaria Act for the relevant year.

(3) (Amended, SG No. 62/2010) The remainder of the resources planned under Paragraph (2) shall be taken into consideration for each session of the evaluation after deduction of the resources under contracts concluded or Council of Ministers decisions on projects which are to be financed during the current year.

(4) (Amended, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 43/2022, effective 10.06.2022) The competitive procedure shall be conducted on the basis of a methodology for performance of the evaluation, endorsed by the Minister of Innovation and Growth and made publicly available on the Internet site of the Ministry of Innovation and Growth.

(5) The evaluation shall be performed on the basis of the following criteria and priorities:

1. amount of investments under the investment project to be implemented within a three-year period;

2. (amended, SG No. 20/2009, effective 17.03.2009) amount of State resources for construction of the physical infrastructure according to the design referred to in Item 2 of Article 34 herein;

3. implementation of investments in high technology production and services covered under Article 3 (5) and (6) herein;

4. implementation of investments in municipalities referred to in Article 3 (2) herein.

(6) The requests for promotion shall be ranked on the basis of the criteria and priorities covered under Paragraph (5).

(7) (Amended, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 43/2022, effective 10.06.2022) The Minister of Innovation and Growth shall lay before the Council of Ministers a motion according to the procedure established by Article 34 herein observing the order of the ranking, and the total amount of the requests must be within the limits of the resources provided for under Paragraph (3).

(8) (Amended, SG No. 62/2010) The motions which have dropped out of the ranking under Paragraph (7) shall be included in the next succeeding evaluation session, but may not be included in more than six such sessions.

(9) The motion shall be laid before the Council of Ministers according to the procedure established by Article 34 herein, without applying the procedure for selection and ranking solely in the cases where the total amount of all requests received is up to the amount of the resources under Paragraph (3).

(10) (Supplemented, SG No. 62/2010, amended, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 43/2022, effective 10.06.2022) The evaluation and ranking of the requests shall be performed by officials empowered by the Minister of Innovation and Growth and/or by an organisational structure according to the Structural Regulations of the Ministry of Innovation and Growth.

Article 36. (Amended, SG No. 20/2009, effective 17.03.2009) (1) (Amended, SG No. 41/2018, effective 18.05.2018) Financial support shall not constitute State aid for an enterprise within the meaning given by Item 7 of § 1 of the Supplementary Provision of the State Aid Act in case the following conditions are simultaneously fulfilled:

1. (supplemented, SG No. 88/2015, effective 13.11.2015) the financial support is intended for construction of elements of public (State or municipal) physical infrastructure which is not used (or operated) for business purposes and which is up to the boundaries of the immovable in which the investment is implemented;

2. (amended, SG No. 62/2010) the funds are granted to an executive authority, a public undertaking or a trader in its capacity of owner of the infrastructure referred to in Item 1, which is a contracting

authority according to the procedure established by Article 7 of the Public Procurement Act for the design and construction of the infrastructure;

3. (amended, SG No. 62/2010, SG No. 24/2013, effective 12.03.2013) the public procurements are awarded according to the procedure established by the Public Procurement Act;

4. (supplemented, SG No. 95/2020, effective 6.11.2020) the infrastructure is used not only by the person referred to in Item 1 of Article 34 herein but also by all existing and potential users on equal and non-discriminatory terms and the infrastructure is not a dedicated infrastructure within the meaning given by Article 2, point 33 of Regulation (EU) No. 651/2014.

(2) (Amended, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 43/2022, effective 10.06.2022) In case of fulfilment of the conditions covered under Paragraph (1), the Minister of Innovation and Growth shall lay the motion referred to in Article 34 herein before the Council of Ministers.

(3) (New, SG No. 41/2018, effective 18.05.2018) With exception of the cases referred to in items 1 - 4 of paragraph 1 financial assistance does not constitute State aid and, where provided in accordance with other provisions of European legislation.

Article 36a. (New, SG No. 80/2025, effective 30.09.2025) (1) The maximum amount of the resources for financial support of the construction of physical-infrastructure elements in cases where the said resources do not constitute State aid shall be as follows:

1. for investment projects with a Class A investment certificate, the resources applied for construction of the physical infrastructure according to a bill of quantities provided by the owner may not exceed 30 per cent of the amount of the investment;

2. for investment projects which have been awarded a priority investment project certificate, the resources applied for construction of the physical infrastructure according to a bill of quantities provided by the owner shall not exceed:

(a) in the cases referred to in Article 63 (1) of these Regulations: 5 per cent of the amount of the investment;

(b) in the manufacturing industry and within the administrative boundaries of municipalities having a rate of unemployment for the year preceding the current year which was equal to or higher than the national average: 10 per cent of the amount of the investment;

(c) in high-technology production: 10 per cent of the amount of the investment;

(d) in high-technology services: 20 per cent of the amount of the investment;

(e) for industrial zones and technology parks: 30 per cent of the amount of the investment;

(f) for industrial parks: 30 per cent of the amount of the investment;

(g) for strategic installations relevant to national security: 10 per cent of the amount of the investment.

(2) In cases where the resources for construction of the physical infrastructure exceed the value of the resources for financial support under Paragraph (1) according to a bill of quantities as presented, the owner of the physical infrastructure may self-finance the shortfall of resources for the construction of the said infrastructure, producing evidence of available resources for the relevant budget year during which the physical-infrastructure elements will go under construction. The circumstances under Paragraph (2) shall be included in the contracts referred to in Article 41 herein.

Article 37. (1) (Amended and supplemented, SG No. 20/2009, effective 17.03.2009, amended, SG No. 24/2013, effective 12.03.2013, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 88/2015, effective 13.11.2015, SG No. 43/2022, effective 10.06.2022, SG No. 80/2025, effective 30.09.2025) Where the conditions under Article 36 herein are absent, the Minister of Innovation and Growth or an official empowered thereby shall assess the conformity of each ranked project for financial support for the construction of infrastructure with the requirements of Regulation (EU) No. 2023/2831.

(2) (Amended, SG No. 20/2009, effective 17.03.2009, SG No. 24/2013, effective 12.03.2013, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 88/2015, effective 13.11.2015, SG No. 43/2022, effective 10.06.2022, SG No. 59/2025, effective 22.07.2025, SG No. 80/2025, effective

30.09.2025) In cases where the value of the financial support provided in the Republic of Bulgaria for a single undertaking does not exceed EUR 300,000 for a period of three years and the support fulfils all conditions of the Regulation referred to in Paragraph (1), the Minister of Innovation and Growth shall lay the proposal under Article 34 herein before the Council of Ministers.

Article 38. (Amended, SG No. 20/2009, effective 17.03.2009, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 88/2015, effective 13.11.2015) (1) (Amended, SG No. 43/2022, effective 10.06.2022) Where the conditions under Articles 36 and 37 herein do not apply, the Minister of Innovation and Growth may grant State aid for construction of infrastructure in the form of ad hoc aid in accordance with the conditions of Regulation (EU) No. 651/2014. (2) The aid referred to in Paragraph (1) shall be provided in compliance with the State Aids Act and the conditions for the aid shall be individualised in the act of granting it thereof.

Article 39. (1) (Amended, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 41/2018, effective 18.05.2018, SG No. 43/2022, effective 10.06.2022) Where the conditions under Articles 36 to 38 herein do not apply, the Minister of Innovation and Growth or an official empowered thereby shall prepare the information necessary for notification to the European Commission of the intention to allocate financial support for construction of physical-infrastructure elements according to the procedure established by Article 22 of the State Aid Act. (2) (Amended, SG No. 88/2015, effective 13.11.2015) Until issuance of a positive decision of the European Commission, the resources for financial support for construction of physical-infrastructure elements shall not be provided and work on the investment project shall not start.

Article 40. (Amended, SG No. 62/2010) (1) (Amended, SG No. 24/2013, effective 12.03.2013) Resources for financial support for construction of physical infrastructure under Article 22b of the IPA shall be allocated according to Article 15 (5) of the IPA on the basis of the contracts referred to in Article 41 herein as approved by the Council of Ministers.

(2) (Amended, SG No. 88/2015, effective 13.11.2015) In case the circumstances under Article 39 herein apply, the decree shall be adopted and the resources under Paragraph (1) shall be allocated after issuance of a positive decision of the European Commission on the provision of the financial support and provided that work on the investment project has not commenced before issuing the decision.

(3) (Amended, SG No. 95/2020, effective 6.11.2020, SG No. 82/2022, effective 14.10.2022, SG No. 80/2025, effective 30.09.2025) The request for application of the measure referred to in Paragraph (1) shall be submitted when not less than 50 per cent of the threshold amount of the investment set for the issuing of the relevant investment class certificate has been executed and up to the third year from the start of works/activity on the investment project.

(4) (Amended, SG No. 41/2018, effective 18.05.2018, SG No. 80/2025, effective 30.09.2025) The resources for financial support for construction of physical infrastructure under Article 22b of the IPA shall be allocated up to the amount of the resources applied for upon the certification of the investment project.

Article 40a. (New, SG No. 80/2025, effective 30.09.2025) (1) In case the circumstances under Article 36 herein exist, the owner of the public physical infrastructure may perform the construction of the infrastructure for its own account according to a pre-approved design (conceptual, schematic or working) and a bill of quantities for construction of the physical-infrastructure elements.

(2) In the cases of Paragraph (1), a request shall be submitted and a contract approved by the Council of Ministers shall be concluded with the investor and the owner of the infrastructure for provision of financial support under Article 22b of the IPA before reaching 50 per cent of the threshold amount of the investment set for the issuing of the respective investment class certificate and not later than the third year from the start of works on the investment project.

(3) The resources shall be reimbursed to the owner of the physical infrastructure within 90 days after the presentation of the requisite cost supporting documents under the contract as approved and

provided that the investor has confirmed the execution of not less than 50 per cent of the threshold amount of the investment set for the issuing of the respective investment class certificate not later than the third year from the start of works on the investment project.

Article 41. (1) (Supplemented, SG No. 62/2010, amended, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 43/2022, effective 10.06.2022) The Council of Ministers shall adopt a decision approving the draft contracts and authorising the Minister of Innovation and Growth to conclude contracts:

1. (amended, SG No. 80/2025, effective 30.09.2025) with the investor and/or the persons/the combination referred to in Article 17 of the IPA, as well as
2. (amended, SG No. 24/2013, effective 12.03.2013, amended and supplemented, SG No. 80/2025, effective 30.09.2025) with the person who awards the designing, construction and construction supervision of the physical-infrastructure elements related to the implementation of the investment project up to the boundaries of the immovable according to the procedure established by the Public Procurement Act.

(2) (Amended, SG No. 80/2025, effective 30.09.2025) By the contract referred to in Item 1 of Paragraph (1), the investor shall undertake to execute the investment project, and the State shall undertake to provide resources for the designing and construction of physical-infrastructure elements from the nearest existing element to the boundaries of the immovable according to the design referred to in Item 2 of Article 34 herein, as well as for construction supervision.

(3) The contract referred to in Item 1 of Paragraph (1) shall mandatorily contain:

Section II

Conditions for Exemption from Prior Notification of European Commission when Granting Training Aid (Heading amended, SG No. 20/2009, effective 17.03.2009, SG No. 80/2025, effective 30.09.2025)

Article 45a. (New, SG No. 20/2009, effective 17.03.2009) (1) (Amended, SG No. 88/2015, effective 13.11.2015) Any individual aid granted under a training aid scheme, which fulfils all conditions of Chapter I and Chapter III, Section V of Regulation (EU) No. 651/2014 shall be compatible with the internal market within the meaning given by Article 107(3) of the Treaty on the Functioning of the European Union and shall be exempt from the notification requirement under Article 108 (3) of the Treaty on the Functioning of the European Union.

(2) (Amended, SG No. 88/2015, effective 13.11.2015) Any individual aid measure granted under Regulation (EU) No. 651/2014 should contain an express reference to the specific provisions of Chapter III of Regulation (EU) No. 651/2014 and to the national legislation on which the individual aid is based and shall be cited in the relevant act for granting the aid under Article 49 herein and in the contract with the beneficiary of the aid under Article 50 (2) herein.

(3) (Amended, SG No. 88/2015, effective 13.11.2015) No aid may be renegotiated and the amount of the aid granted may not be increased respectively where this has been laid down in the relevant act for granting the aid and/or in the contract with the grant beneficiary.

(4) (New, SG No. 82/2022, effective 14.10.2022, amended, SG No. 80/2025, effective 30.09.2025) Modifications in the contracts shall only be admissible if the said modifications do not affect the statutory requirements for certification of the project and for granting of the aid and fulfil one or several of the following conditions: the said modifications are related to circumstances which arose after the start of works on the project; the said modifications are intended to keep the parties interested in a successful performance of the contract as concluded; the said modification may lead, where applicable, only to a proportional reduction of the aid.

Article 46. (1) Amended, SG No. 20/2009, effective 17.03.2009, supplemented, SG No. 62/2010, amended, SG No. 88/2015, effective 13.11.2015, amended and supplemented, SG No. 41/2018, effective 18.05.2018, amended, SG No. 82/2022, effective 14.10.2022) The resources for financial support shall be allocated to cover the following eligible costs of the training project while avoiding duplication of costs:

1. trainers' personnel costs for the hours during which the trainers participate in the training;
2. trainers' operating costs directly relating to the training project such as travel expenses and accommodation costs, up to amounts provided for in the ordinances and the relevant national rules on secondment or a participation fee paid by the beneficiary to an external training organisation, to the extent that the cost items covered by the participation fee are used exclusively for the training

project and fall under the categories of costs under Items 1, 2, 4, 7 and 8 of this paragraph; costs of food and beverages included in the participation fee or provided upon the conduct of the training;

3. trainees' operating costs directly relating to the training project such as travel expenses and accommodation costs, up to amounts provided for in the ordinances and the relevant national rules on secondment;
4. costs of materials and supplies directly related to the project;
5. costs of advisory services for ancillary or preparatory activities linked to the training project;
6. trainees' personnel costs: the pro-rata part of the costs of remunerations and compulsory social-security contributions to the funds of public social insurance, supplementary compulsory retirement insurance and compulsory health insurance for the trainees, for the hours during which the trainees participate in the training;
7. costs of depreciation of tools and equipment, where they are used exclusively for the training project;
8. costs of rent of premises, machinery and plant for the time during which they are used in the training project.

(2) (Supplemented, SG No. 20/2009, effective 17.03.2009) The costs covered under Paragraph (1) shall be before taxes and charges.

(3) (Amended, SG No. 20/2009, effective 17.03.2009, SG No. 62/2010, SG No. 88/2015, effective 13.11.2015, SG No. 82/2022, effective 14.10.2022) The amount of resources for financial support under this Section may not exceed 25 per cent of the eligible costs for training.

(4) (Amended, SG No. 20/2009, effective 17.03.2009, SG No. 62/2010) The intensity of the aid under Paragraph (3) may be increased:

1. by 10 percentage points if the aid is for training of disabled or disadvantaged workers;
2. by 10 percentage points if the aid is awarded to medium-sized enterprises and by 20 percentage points if the aid is awarded to small enterprises.

(5) (New, SG No. 20/2009, effective 17.03.2009, amended, SG No. 88/2015, effective 13.11.2015) For the purposes of calculating the intensity of aid payable in several instalments, the aid and eligible costs should be discounted to their value at the moment of granting the aid, using the discount interest rate applicable at the time of granting the aid.

(6) (New, SG No. 88/2015, effective 13.11.2015) No aid shall be granted in the cases where training is conducted by the undertaking for the purposes of compliance with the mandatory national standards for training.

Article 47. (Amended, SG No. 88/2015, effective 13.11.2015) (1) (Previous text of Article 47, SG No. 82/2022, effective 14.10.2022, amended, SG No. 59/2025, effective 22.07.2025, SG No. 80/2025, effective 30.09.2025) The total amount of resources for financial support received according to the procedure established by this Section and from financing by other public resources or EU resources of State aid or de minimis aid character in connection with a specific training project may not exceed EUR 3 million and the intensity of the aid received from all sources may not exceed 50 per cent of the eligible costs on the specific training project or increased to 70 per cent under the terms and conditions of Items 1 and 2 of Article 46 (4) herein, if applicable.

(2) (New, SG No. 82/2022, effective 14.10.2022) Financial support under a training aid scheme shall not be provided according to the procedure established by the Regulations for the same eligible costs for which other State aid and/or de minimis aid has been granted.

Section III

Financial Support Subject to Prior Notification to the European Commission

Article 48. (1) (Amended, SG No. 20/2009, effective 17.03.2009, supplemented, SG No. 62/2010, amended, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, amended and supplemented, SG No. 88/2015, effective 13.11.2015, amended, SG No. 41/2018, effective 18.05.2018, SG No. 43/2022, effective 10.06.2022, SG No. 59/2025, effective 22.07.2025, SG No. 80/2025, effective 30.09.2025) In case the resources for financial support for a training project received according to the procedure established by this Chapter and through financing with other State resources or EU resources for the same eligible costs, including in the form of de minimis aid, exceed EUR 3 million, or the training project does not fulfil the conditions under Section II, the Minister of Innovation and Growth shall prepare a notification of the intention to allocate financial support according to the procedure established by Article 22 of the State Aids Act. The maximum amount under sentence one may not be circumvented by artificially separating projects with similar characteristics, objectives or beneficiaries.

(2) The resources for financial support shall be provided only after a positive decision on the part of the European Commission.

(3) (New, SG No. 88/2015, effective 13.11.2015) Where European Union funding centrally managed by the institutions, agencies, joint undertakings or other bodies of the Union that is not directly or indirectly under the control of the Member State is combined with State aid, only the latter shall be considered for determining whether notification thresholds and maximum aid intensities or maximum aid amounts are respected, provided that the total amount of public funding granted in relation to the same eligible costs does not exceed the most favourable funding rate laid down in the applicable rules of the European Union law.

Section IV

Procedure for Allocation of Resources

Article 49. (1) (Amended, SG No. 24/2013, effective 12.03.2013) Resources for financial support for training under Article 22c of the IPA shall be allocated according to Article 15 (5) of the IPA on the basis of the contracts referred to in Article 50 herein as approved by the Council of Ministers.

(2) (Supplemented, SG No. 62/2010) In case the circumstances under Article 48 herein apply, the decree shall be adopted and the resources shall be allocated after a positive decision of the European Commission on the provision of the financial support.

(3) (New, SG No. 62/2010, amended, SG No. 95/2020, effective 6.11.2020, SG No. 82/2022, effective 14.10.2022, SG No. 80/2025, effective 30.09.2025) The request for application of the measure referred to in Paragraph (1) shall be submitted if the following conditions are simultaneously fulfilled:

1. (supplemented, SG No. 80/2025, effective 30.09.2025) after the execution of not less than 50 per cent of the threshold amount of the investment set for issuing of the respective investment class certificate and after the appointment, under employment relationships, of not fewer than 30 per cent of the relevant number of employees required for the issuing of the respective investment class certificate;

2. (amended, SG No. 88/2015, effective 13.11.2015, SG No. 82/2022, effective 14.10.2022) for reimbursement of the resources spent on the training delivered to not fewer than 30 persons according to the training project under Article 44 herein.

Article 50. (1) (Supplemented, SG No. 62/2010, amended, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 95/2020, effective 6.11.2020, SG No. 43/2022, effective 10.06.2022, SG No. 80/2025, effective 30.09.2025) The Council of Ministers shall adopt a decision approving the draft contracts and authorising the Minister of Innovation and Growth to conclude a contract with the investor and/or with the persons/the combination referred to in Article 17 of the IPA.

(2) (Amended, SG No. 88/2015, effective 13.11.2015, SG No. 95/2020, effective 6.11.2020) By the contract referred to in Paragraph (1), the employer investor shall undertake to perform the investment project and the training project, and the State shall undertake to provide resources for the eligible costs of the training project under the terms established by this Chapter.

(3) (Supplemented, SG No. 62/2010, amended, SG No. 95/2020, effective 6.11.2020) The contract referred to in Paragraph (1) shall mandatorily contain all requirements of the IPA with regard to the investment project and the investor, as well as the conditions and requirements for the allocation of financial resources under the training State aid scheme:

1. subject matter of the contract;
2. contracting parties;
3. title of the investment project;
4. principal rights and obligations;
5. type and amount of the investment;
6. time limit for execution of the investment project and period for maintenance of the investment;
7. number of employees who are to be trained;
8. content of training and envisaged means to be used;
9. start date for training or retraining of the relevant number of employees;
10. amount of the costs of training;
11. type of costs and means provided;
12. amount and period for which financial support is to be provided;
13. manner and time limit for spending of the resources for training;
14. (amended, SG No. 95/2020, effective 6.11.2020) the procedure and terms for:
 - (a) (amended, SG No. 82/2022, effective 14.10.2022) termination of the contract and full repayment of the aid in case of non-compliance with, or violation of, any provisions of Regulation (EU) No. 651/2014 or the conditions of the scheme whereunder the aid is granted, non-fulfilment of the obligation to implement and/or maintain the investment and the jobs created under the project in accordance with the set minimum thresholds applicable upon certification;
 - (b) partial repayment of the aid in the cases other than those referred to in Littera (a).
15. manner of reporting the execution of the training project;
16. type and amount of the collateral to be furnished for fulfilment of the obligations under the contract;
17. type and amount of the liability incurrable for non-fulfilment of the obligations under the contract;
18. control over the fulfilment of the obligations by the parties;
19. methods of settlement of disputes between the parties;
20. (Supplemented, SG No. 24/2013, effective 12.03.2013) grounds for early termination or rescission of the contract and rights of the party not at fault;
21. other elements on which the parties have reached agreement.

(4) (Amended, SG No. 95/2020, effective 6.11.2020) The investment project and the training project shall constitute an integral part of the contract referred to in Paragraph (1).

(5) (Repealed, SG No. 95/2020, effective 6.11.2020).

(6) (Supplemented, SG No. 24/2013, effective 12.03.2013, amended, SG No. 88/2015, effective 13.11.2015, repealed, SG No. 95/2020, effective 6.11.2020).

(7) (Repealed, SG No. 95/2020, effective 6.11.2020).

(8) The contracts referred to in Paragraph (1) shall enter into effect after a positive decision of the European Commission on provision of the financial support, if the circumstances under Article 48 herein exist.

(9) (New, SG No. 62/2010, amended, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 95/2020, effective 6.11.2020, SG No. 43/2022, effective 10.06.2022) A standard form of a contract referred to in Paragraph (1) shall be made publicly available on the Internet site of the Ministry of Innovation and Growth.

(10) (New, SG No. 88/2015, effective 13.11.2015, amended, SG No. 43/2022, effective 10.06.2022, SG No. 82/2022, effective 14.10.2022) The Minister of Innovation and Growth shall ensure publicity of the information on the aid granted according to the procedure and within the time limits under Article 9 of Regulation (EU) No. 651/2014, the State Aids Act and the Regulations for Application thereof.

Section V

Transparency and Monitoring

Article 51. (Supplemented, SG No. 62/2010, amended and supplemented, SG No. 88/2015, effective 13.11.2015, supplemented, SG No. 82/2022, effective 14.10.2022) The investor shall certify the eligible training project costs incurred by means of supporting documents within three months after implementation of the training project or according to the contract referred to in Article 50 herein. The eligible costs shall be supported by documentary evidence which shall be clear, specific and contemporary. The fulfilment of the requirements regarding the costs of training and the amount thereof shall be confirmed by a registered auditor on the basis of clear, specific and up-to date documentary evidence.

Article 52. (Amended, SG No. 62/2010) (1) Control over the performance of the contract/s under Article 50 herein shall be exercised by:

1. (amended, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 43/2022, effective 10.06.2022) an official authorised by the Minister of Innovation and Growth under Article 69 herein in respect of the investment project;

2. an official authorised by the Minister of Labour and Social Policy in respect of the performance of the training project and compliance with the parameters of the investment project related to employment.

(2) (Amended, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, supplemented, SG No. 88/2015, effective 13.11.2015, amended, SG No. 41/2018, effective 18.05.2018, SG No. 43/2022, effective 10.06.2022) The Minister of Innovation and Growth or the official authorised thereby referred to in Paragraph (1) shall maintain and keep the entire information and the accompanying documentation relating to the actions performed in connection with the granted financial support for the time periods and the purposes provided for in the State Aid Act. The information regarding the financial support resources granted under this Chapter shall be kept for a period of 10 years from the date on which the financing was granted or from the date of granting the latest aid under the scheme, whichever is later.

(3) (New, SG No. 88/2015, effective 13.11.2015, amended, SG No. 41/2018, effective 18.05.2018, SG No. 43/2022, effective 10.06.2022) At the request of the European Commission the Minister of Innovation and Growth shall provide through the Minister of Finance all the information and supporting documents as may be deemed necessary by the European Commission for the purposes of monitoring the application of Regulation (EU) No. 651/2014. The information and the documentation shall be provided to the Minister of Finance within 15 business days, unless provided for otherwise in the request of the European Commission or in the instructions of the Ministry of Finance.

Chapter Seven

(Effective until 31.12.2013, SG No. 20/2009 - amended, SG No. 2/2014)

CONDITIONS FOR PROMOTION OF INVESTMENTS IN REGIONAL AID

(Heading amended, SG No. 20/2009, effective 17.03.2009)

Section I

Conditions for Exemption from Prior Notification to the European Commission

(Heading amended, SG No. 20/2009, effective 17.03.2009)

Article 52a. (New, SG No. 20/2009, effective 17.03.2009) (1) (Amended, SG No. 24/2013, effective 12.03.2013, SG No. 88/2015, effective 13.11.2015, amended and supplemented, SG No. 82/2022, effective 14.10.2022) The regional investment aid scheme which fulfils all conditions of Chapter I and Chapter III, Articles 13 and 14 of Regulation (EU) No. 651/2014 shall be compatible with the internal market within the meaning given by Article 107(3) of the Treaty on the Functioning of the European Union (TFEU) and shall be exempt from the notification requirement under Article 108(3) of the TFEU.

(2) (Amended, SG No. 24/2013, effective 12.03.2013, SG No. 88/2015, effective 13.11.2015, SG No. 43/2022, effective 10.06.2022, supplemented, SG No. 80/2025, effective 30.09.2025) The annual budget of the regional investment aid scheme shall not exceed EUR 150 million per annum. If the average annual budget of the scheme exceeds that amount, the Ministry of Innovation and Growth shall draw up an evaluation plan for the scheme which shall be sent to the European Commission within 20 days from the entry into force of the amended budget. In cases where the European Commission has already extended the application of Regulation (EU) 651/2014 beyond the initial six months as regards such schemes, the State may decide to extend the said schemes until the end of the period of application of this Regulation, provided that the State has submitted an evaluation report in line with the evaluation plan approved by the Commission. In such cases, the regional investment aid scheme shall apply for a period of six months from the entry into force of the amended budget for the scheme. After having assessed the evaluation plan, the European Commission may decide that Regulation (EU) No. 651/2014 will continue to apply for a longer period to the scheme or to alterations of the scheme which cannot affect the compatibility thereof with Regulation (EU) No. 651/2014 or cannot significantly affect the approved evaluation plan.

(3) (Amended, SG No. 88/2015, effective 13.11.2015) Any granting of individual aid under the regional investment aid scheme should contain an express reference to the specific provisions of Chapter III of Regulation (EU) No. 651/2014 and to the national legislation on which the individual aid is based and shall be cited in the relevant act for granting the aid and in the contract with the beneficiary of the aid.

(4) (New, SG No. 88/2015, effective 13.11.2015, amended, SG No. 82/2022, effective 14.10.2022, SG No. 80/2025, effective 30.09.2025) Modifications in the contracts shall only be admissible if the said modifications do not affect the statutory requirements for certification of the project and for granting of the aid and fulfil one or several of the following conditions: the said modifications are related to circumstances which arose after the start of works on the project; the said modifications are intended to keep the parties interested in a successful performance of the contract as concluded; the said modification may lead, where applicable, only to a proportional reduction of the aid.

(5) (New, SG No. 82/2022, effective 14.10.2022, amended, SG No. 80/2025, effective 30.09.2025) In assisted areas fulfilling the conditions of Article 107(3)(a) of the TFEU ("a" areas), the aid may be granted for an initial investment regardless of the size of the beneficiary. In assisted areas fulfilling the conditions of Article 107(3)(c) of the TFEU ("c" areas), the aid may be granted to SMEs for any form of initial investment. Aid to large enterprises shall only be granted for an initial investment that creates a new economic activity in the area concerned. The type of area shall be determined according to the regional aid map approved by the European Commission for Bulgaria for the period concerned.

Article 53. (Amended, SG No. 20/2009, effective 17.03.2009) (1) (Amended, SG No. 24/2013, effective 12.03.2013, amended and supplemented, SG No. 88/2015, effective 13.11.2015,

amended, SG No. 82/2022, effective 14.10.2022, SG No. 80/2025, effective 30.09.2025) The regional aid intensity in gross grant equivalent must not exceed the maximum aid intensity established in the regional aid map which is in force at the time the aid is granted in the area concerned. For the purposes of calculating aid intensity, all figures used shall be taken before any deduction of tax or other charge. Value added tax charged on eligible costs or expenses that is refundable under the applicable national tax law shall not be taken into account for calculating aid intensity and eligible costs. When aid is granted in a form other than a grant, the aid amount shall be the gross grant equivalent of the aid. The eligible costs shall be supported by documentary evidence which shall be clear, specific and contemporary.

(2) (Supplemented, SG No. 62/2010, amended, SG No. 24/2013, effective 12.03.2013, SG No. 88/2015, effective 13.11.2015, SG No. 80/2025, effective 30.09.2025) The total amount of the gross grant equivalent of regional aid from all sources, which is received for the same eligible costs and for the same project, may not exceed the individual [notification] threshold laid down according to Chapter I, Article 4(1)(a) of Regulation (EU) No 651/2014, and namely the adjusted aid amount as calculated in accordance with the mechanism defined in Article 2, point 20 of Regulation (EU) No. 651/2014 for an investment with eligible costs of EUR 110 million.

(3) (New, SG No. 88/2015, effective 13.11.2015) Where a single investment project is a large investment project the total amount of aid for the single investment project shall not exceed the adjusted amount of the aid for large investment projects.

(4) (New, SG No. 88/2015, effective 13.11.2015) The maximum amount under Paragraph (2) may not be circumvented by artificial separation of projects with similar characteristics, objectives and beneficiaries.

(5) (New, SG No. 88/2015, effective 13.11.2015, repealed, SG No. 82/2022, effective 14.10.2022).

Article 54. (1) (Amended, SG No. 88/2015, effective 13.11.2015) The eligible tangible assets shall be limited to assets including land, buildings, machinery and equipment, and the eligible intangible assets shall be limited to assets which do not have physical or financial form such as patents, licences, know-how or other intellectual property.

(2) (Supplemented, SG No. 20/2009, effective 17.03.2009, amended, SG No. 62/2010, SG No. 88/2015, effective 13.11.2015, SG No. 80/2025, effective 30.09.2025) Intangible assets shall be eligible for the calculation of investment costs if the said assets fulfil the following conditions:

1. (amended, SG No. 80/2025, effective 30.09.2025) the said assets must be used exclusively in the establishment receiving the aid;

2. (amended, SG No. 80/2025, effective 30.09.2025) the said assets must be amortisable;

3. (amended, SG No. 80/2025, effective 30.09.2025) the said assets must be purchased under market conditions from third parties unrelated to the buyer;

4. (amended, SG No. 80/2025, effective 30.09.2025) the said assets must be included in the assets of the undertaking that receives the aid and must remain associated with the project for which the aid is awarded for at least five years or three years for SMEs;

5. (amended, SG No. 80/2025, effective 30.09.2025) the said assets must be new.

(3) (Amended, SG No. 80/2025, effective 30.09.2025) For small and medium-sized enterprises, 100 per cent of the costs of intangible assets shall be eligible.

(4) (Amended, SG No. 62/2010, SG No. 88/2015, effective 13.11.2015, supplemented, SG No. 80/2025, effective 30.09.2025) For large enterprises, the costs referred to in Paragraph (2) shall be eligible up to 50 per cent of the total eligible project costs for the initial investment.

(5) (New, SG No. 62/2010, amended, SG No. 88/2015, effective 13.11.2015) To be eligible, the costs of acquisition of tangible assets must:

1. be used exclusively in the undertaking receiving the aid;

2. (amended, SG No. 88/2015, effective 13.11.2015) be purchased under market conditions from third parties not related to the buyer;

3. (amended, SG No. 88/2015, effective 13.11.2015) be included in the assets of the undertaking receiving the aid and remain linked to the project for which the aid is granted for at least five years or, in the case of SMEs, for at least three years;

4. be new.

(6) (New, SG No. 62/2010, amended, SG No. 88/2015, effective 13.11.2015, supplemented, SG No. 41/2018, effective 18.05.2018, amended, SG No. 80/2025, effective 30.09.2025) For aid awarded to large enterprises for a fundamental change in the production process, the eligible costs shall exceed the depreciation of the assets linked to the activity to be modernised over the preceding three fiscal years. For aid awarded to large enterprises or SMEs for a diversification of an existing establishment, the eligible costs shall exceed by at least 200 per cent the book value of the reused assets, as registered in the fiscal year preceding the start of works on the project.

Article 55. (1) (Amended, SG No. 88/2015, effective 13.11.2015) The thresholds laid down according to Article 53 (1) herein shall apply to the aid intensities calculated either as a percentage of the eligible costs of tangible and intangible assets covered under Article 54 herein or as a percentage of the estimated labour remuneration costs of the persons employed, calculated over a period of two years, for jobs directly created by the investment project.

(2) The two methods of calculation referred to in Paragraph (1) may be combined, provided the aid does not exceed the most favourable amount resulting from the separate application of either method.

(3) (Amended, SG No. 88/2015, effective 13.11.2015) For calculating the intensity of aid payable in several instalments, the aid and eligible costs shall be discounted to its value at the moment of granting of the said aid, using the discount interest rate applicable at the time of grant of the aid.

Article 56. (1) (Supplemented, SG No. 82/2022, effective 14.10.2022) The costs of acquisition of tangible assets under lease, other than land and buildings, shall only be taken into account if the lease takes the form of financial leasing and contains an obligation to purchase the assets upon expiry of the term of the lease.

(2) The lease of land and buildings must continue for at least five years, or three years in the case of small and medium-sized enterprises, after the anticipated date of the completion of the investment project.

Article 57. (Amended, SG No. 20/2009, effective 17.03.2009) (1) (Previous text of Article 57, SG No. 24/2013, effective 12.03.2013, amended, SG No. 88/2015, effective 13.11.2015) In the cases where aid is calculated on the basis of labour remuneration costs, the employment must fulfil all the conditions of Chapter III, Article 14, paragraph 9 of Regulation (EU) No. 651/2014:

1. (supplemented, SG No. 24/2013, effective 12.03.2013, amended, SG No. 88/2015, effective 13.11.2015) it must be directly linked to the implementation of the investment project within the meaning given by Article 2, Item 62 of Regulation (EU) No. 651/2014;

2. (supplemented, SG No. 24/2013, effective 12.03.2013, amended and supplemented, SG No. 88/2015, effective 13.11.2015, amended, SG No. 80/2025, effective 30.09.2025) the investment project must lead to a net increase in the average number of employees on payroll within the meaning given by Item 16 of § 1 of the Supplementary Provisions of these Regulations and Article 2, point 32 of Regulation (EU) No. 651/2014 in the establishment concerned compared to the average over the previous 12 months, which means that the job losses must be deducted from the number of jobs created during that period;

3. (amended, SG No. 82/2022, effective 14.10.2022) each post shall be filled within three years of completion of works and each job created through the investment shall be maintained in the area concerned for a period of at least five years from the date the post was first filled, or three years in the case of small and medium-sized enterprises.

(2) (New, SG No. 24/2013, effective 12.03.2013, amended, SG No. 88/2015, effective 13.11.2015) Labour remuneration costs, according to Article 2, Item 31 of Regulation (EU) No. 651/2014, shall

be the total amount actually payable by the beneficiary of the aid in respect of the jobs concerned, comprising:

1. the gross remuneration before tax, and
2. the compulsory social and health insurance contributions.

Article 58. (Amended, SG No. 88/2015, effective 13.11.2015, SG No. 95/2020, effective 6.11.2020) Regional investment aid under Regulation (EU) No. 651/2014 shall not be granted to:

1. (amended, SG No. 41/2018, effective 18.05.2018) beneficiaries who have carried out a relocation to the undertaking in which the initial investment for which aid is requested is to take place, in the two years preceding the application for aid, with the beneficiaries giving a commitment that they will not carry out such relocation up to a period of two years after the initial investment for which aid is requested is completed;
2. projects which favour domestic over imported goods, as well as investments in export-related activities towards third countries or towards other Member States of the European Union which are directly linked to the quantities exported, to the establishment and operation of distribution networks or to other current expenditure linked to the export activity.

Section II Cumulation

Article 59. (1) (Amended, SG No. 88/2015, effective 13.11.2015, SG No. 82/2022, effective 14.10.2022) The aid thresholds laid down under Article 53 (1) herein shall apply to the total amount of State aid for the aided project, regardless of whether the said support is financed from municipal, regional or national sources, or EU sources.

(2) (Amended, SG No. 88/2015, effective 13.11.2015, SG No. 41/2018, effective 18.05.2018) Regional investment aid, which fulfils the conditions under this Chapter, shall not be cumulated with any other State aid, nor with any de minimis aid within the meaning given by Item 15 of § 1 of the Supplementary Provision of the State Aids Act in respect of the same eligible costs, if such cumulation would result in the aid intensity or the amount of aid exceeding the values fixed under Article 53 (1) and (2) herein.

(3) (New, SG No. 88/2015, effective 13.11.2015) Where European Union funding centrally managed by the institutions, agencies, joint undertakings or other bodies of the Union that is not directly or indirectly under the control of the Member State is combined with State aid, only the latter shall be considered for determining whether notification thresholds and maximum aid intensities or maximum aid amounts are respected, provided that the total amount of public funding granted in relation to the same eligible costs does not exceed the most favourable funding rate laid down in the applicable rules of the European Union law.

Section III Aids Subject to Prior Notification to the European Commission

Article 60. (1) (Amended, SG No. 88/2015, effective 13.11.2015, SG No. 80/2025, effective 30.09.2025) The aid granted in favour of large investment projects under this Chapter shall be subject to prior notification if the total amount of the aid from all sources exceeds the adjusted amount of aid, calculated according to the mechanism set out in Article 2(20) of Regulation (EU) No. 651/2014 for an investment with eligible costs of EUR 110 million or more.

(2) (Repealed, SG No. 20/2009, effective 17.03.2009).

(3) (Amended, SG No. 62/2010, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 41/2018, effective 18.05.2018, SG No. 43/2022, effective 10.06.2022, SG No. 80/2025, effective 30.09.2025) Individual notification to the Commission under Paragraph (1) shall be effected by the

Minister of Innovation and Growth or the official authorised thereby under Item 2 of Article 69 (1) herein, or by another executive authority granting the aid. The notification shall be made according to the procedure established by Article 22 of the State Aids Act.

Section IV

Transparency and Monitoring

Article 61. (1) (Supplemented, SG No. 62/2010, amended, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 88/2015, effective 13.11.2015, SG No. 43/2022, effective 10.06.2022, SG No. 82/2022, effective 14.10.2022) The authority that granted the aid shall publish information on awarded individual aid in accordance with Article 9(1)(c) of Regulation (EU) No. 651/2014 on the Internet site thereof and on the State Aid Transparency Public Search Page hosted by the European Commission.

(2) (Amended, SG No. 88/2015, effective 13.11.2015, repealed, SG No. 82/2022, effective 14.10.2022).

(3) (Amended, SG No. 62/2010, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 41/2018, effective 18.05.2018, SG No. 43/2022, effective 10.06.2022, SG No. 82/2022, effective 14.10.2022) The authority that granted the aid shall publish the information referred to in Article 9(1)(a) of Regulation (EU) No. 651/2014 on the Internet site thereof and shall submit an annual report on the aids administrated thereby based on reporting data regarding the previous year within the time limits and according to the procedure established by the State Aids Act.

(4) (Amended, SG No. 88/2015, effective 13.11.2015, SG No. 41/2018, effective 18.05.2018, SG No. 43/2022, effective 10.06.2022) The information referred to in Paragraph (3) shall be kept in the course of ten years from the date on which the individual aid was awarded under such scheme or from the date of granting of the last aid under the scheme, whichever is later. Upon request by the European Commission the Minister of Innovation and Growth shall provide through the Minister of Finance all the information and supporting documents as may be deemed necessary by the European Commission for the purposes of monitoring of the application of Regulation (EU) No. 651/2014. The information and the documentation shall be provided to the Minister of Finance within 15 business days, unless provided for otherwise in the request of the European Commission or in the instructions of the Ministry of Finance.

(5) (Amended, SG No. 62/2010, SG No. 82/2022, effective 14.10.2022) The authority granting aid under a scheme shall inform the European Commission according to the State Aids Act and the Regulations for Application thereof and shall publish the full text of the aid scheme and any alteration thereof on the Internet site thereof. Any such information shall indicate, inter alia, the electronic address at which the relevant documents which are part of the aid scheme are published.

(6) (Repealed, SG No. 82/2022, effective 14.10.2022).

Section III

(New, SG No. 24/2013, effective until 31.12.2013 - amended, SG No. 2/2014)

Competitive Procedure

Article 61c. (New, SG No. 24/2013, effective until 31.12.2013 - amended, SG No. 2/2014) (1) The competitive procedure for evaluation and selection of investment projects for promotion by the measure referred to in Article 22e of the IPA shall be conducted on the basis of the documents covered under Items 1 and 2 of Article 61b herein.

(2) The evaluation referred to in Paragraph (1) shall be performed under the terms and according to the procedure established by Article 35 herein.

(3) The evaluation shall be performed on the basis of the following criteria:

1. amount of investments under the investment project to be implemented within a three-year period and/or amount of the estimated labour remuneration costs for a period of two years of the persons hired for the jobs directly created by the performance of the investment project (the larger amount applies);
2. amount of State resources for application of the measure as applied for;
3. implementation of investments in high technology production and services covered under Article 3 (5) and (6) herein;
4. implementation of investments in municipalities referred to in Article 3 (2) herein;
5. (new, SG No. 41/2018, effective 18.05.2018) use, over prior years, of a measure under Article 22e of IPA for the promotion of another certified investment project of the applying undertaking or of another undertaking with which the applying undertaking forms a group of undertakings.

(4) (Amended, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 43/2022, effective 10.06.2022) The Minister of Innovation and Growth shall lay before the Council of Ministers a motion according to the procedure established by Article 61b herein observing the order of the ranking, and the total amount of the requests must be within the limits of the resources provided for under Article 35 (3) herein.

Section IV

(New, SG No. 24/2013, effective until 31.12.2013 - amended, SG No. 2/2014)

Determination of Amount of Resources for Financial Support

Article 61d. (New, SG No. 24/2013, effective until 31.12.2013 - amended, SG No. 2/2014) (1) (Amended and supplemented, SG No. 88/2015, effective 13.11.2015) The resources for financial support shall be allocated up to the amount of the compulsory social and health insurance contributions actually paid by the investor for the account thereof in the capacity thereof as employer to the funds of public social insurance, supplementary compulsory retirement insurance and compulsory health insurance in respect of the factory and office workers who occupied the new jobs according to the contract referred to in Article 61f and Paragraph (7) herein. Creation of a job shall mean the date on which a factory or office worker was appointed to the job under an employment contract for the first time.

(2) To be acceptable for application of the measure referred to in Paragraph (1), the newly created jobs must be occupied by Bulgarian citizens, citizens of the Member States of the European Union, of the States which are Contracting Parties to the Agreement on the European Economic Area, of the Swiss Confederation, or persons covered under Article 18 (3) of the Employment Promotion Act.

(3) (Supplemented, SG No. 41/2018, effective 18.05.2018, amended, SG No. 95/2020, effective 6.11.2020, SG No. 43/2022, effective 10.06.2022, amended and supplemented, SG No. 82/2022, effective 14.10.2022, amended, SG No. 80/2025, effective 30.09.2025) A request for application of the measure referred to in Item 1 of Article 61b (1) herein shall be submitted after not less than 30 per cent of the relevant number of employees required for the issuing of the respective investment class certificate have been recruited under an employment relationship and/or after not less than 50 per cent of the threshold amount of the investment set for the issuing of the relevant investment class certificate or priority investment project certificate under Article 63 herein has been executed, depending on the grounds for certification: under Article 3 or Article 3a herein, and within three years from the start of works/activity on the investment project. Any request for the conclusion of a contract shall contain information on the date of start of works, the number of jobs created under the project and of the jobs to be created and for which financial support will be provided, with an indicative timing of the creation of the said jobs and an indicative amount of the eligible costs of remuneration for a period of 24 months from the start of works on the project, the amount of aid applied for and the period of application of the measure, as well as other information regarding the execution of the project and the conditions for granting the aid. A standard form of the request shall be endorsed by the Minister of Innovation and Growth or a person empowered thereby and shall be published on the Internet site of the Ministry of Innovation and Growth.

(4) (Amended, SG No. 88/2015, effective 13.11.2015, SG No. 41/2018, effective 18.05.2018) The resources referred to in Paragraph (1) shall be allocated as follows:

1. annually during the implementation period of the measure, the date of granting being after 31 March of the current year, for reimbursement of the contributions referred to in Paragraph (1) that have actually been made for the previous year, subject to the provisions of Article 22e, Paragraph (1), Items 3 - 5 and Paragraph (2) of IPA, or
2. as a lump sum after the end of the implementation period of the measure, the date of granting being after 31 March of the current year, for reimbursement of the contributions referred to in Paragraph (1) that have actually been made during the previous years of implementation of the measure, subject to the provisions of Article 22e, Paragraph (1), Items 3 - 5 and Paragraph (2) of IPA.

(5) (Amended, SG No. 88/2015, effective 13.11.2015) The resources referred to in Paragraph (1) shall not be allocated if the person which implements the investment project is liable for non-performance of contracts concluded under programmes, measures and training under the Employment Promotion Act or resources from other public sources of financing have been received for the same eligible costs.

(6) (Amended, SG No. 88/2015, effective 13.11.2015, supplemented, SG No. 41/2018, effective 18.05.2018) For the allocation of the resources referred to in Paragraph (1), the investor shall certify the eligible costs incurred for the relevant calendar year for remunerations and compulsory insurance contributions in respect of the jobs created under the project not later than the 31 March of the next succeeding year (in the cases under Paragraph (4), Item 1) or of the year of the lump-sum allocation of the resources (in the cases under Paragraph (4), Item 2), and according to a procedure established by the contract referred to in Article 61f herein.

(7) (New, SG No. 88/2015, effective 13.11.2015) Funds for reimbursement of costs incurred for relevant social insurance contributions made by the investor may be granted:

1. for a period of not more than 24 months from the creation of the job concerned - for projects in the processing industry and high-tech activities in the services sector, implemented within the administrative boundaries of municipalities where the rate of unemployment for the year last preceding the current year is higher than the national average;
2. for a period of not more than 12 months – in the remaining cases.

(8) (New, SG No. 41/2018, effective 18.05.2018) The resources referred to in Paragraph (1) shall be granted with priority to beneficiaries (at group level) who have not yet benefited from the measure under Article 22e of IPA for the implementation of other certified projects.

Article 61e. (New, SG No. 24/2013, effective until 31.12.2013 - amended, SG No. 2/2014) The resources required for financial support under Article 61d herein for application of the measure referred to in Article 22e of the IPA shall be allocated according to Article 15 (5) of the IPA on the basis of the contracts referred to in Article 61f herein as approved by the Council of Ministers.

Article 61f. (New, SG No. 24/2013, effective until 31.12.2013 - amended, SG No. 3/2014) (1) (Amended, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 43/2022, effective 10.06.2022, SG No. 80/2025, effective 30.09.2025) The Council of Ministers shall adopt a decision approving the draft contracts and authorising the Minister of Innovation and Growth to conclude a contract with the investor and/or with the combination referred to in Article 17 of the IPA.

(2) (Amended, SG No. 88/2015, effective 13.11.2015, SG No. 82/2022, effective 14.10.2022) By the contract referred to in Paragraph (1), the employer investor shall undertake to perform the investment project and to maintain the investment and the employment created by the implementation thereof, and the State shall undertake to provide resources for reimbursement of the eligible project costs under the terms established by this Chapter and by Chapter Seven herein.

(3) The contract referred to in Paragraph (1) shall mandatorily contain all requirements of the IPA regarding the investment project and the employment created by the implementation thereof, as well as the conditions and requirements for the provision of financial resources under the regional aid scheme:

1. subject matter of the contract;
2. contracting parties;
3. title of the investment project;

Section III

(New, SG No. 59/2025, effective 22.07.2025)

Procedure for Consideration by Interagency Screening

Council of Application for Granting Authorisation to Make Foreign Direct Investment

Article 68d. (New, SG No. 59/2025, effective 22.07.2025) (1) The procedure for consideration by the Interagency Screening Council of an application to make a foreign direct investment shall commence by a registration of the application together with the accompanying documents by the secretariat of the Interagency Council immediately upon receipt of the said application and documents by the InvestBulgaria Agency.

(2) Any alerts, opinions and reasoned proposals received according to the procedure established by Article 27 (5) and Article 27d (2) and (3) of the IPA shall be filed by the secretariat immediately upon receipt and shall be verified according to the standard procedure for consideration of applications received under Paragraph (1).

(3) The Interagency Screening Council may ex officio institute verification proceedings for a new or completed foreign direct investment in the cases provided for by the law.

Article 68e. (New, SG No. 59/2025, effective 22.07.2025) (1) The secretariat referred to in Article 27c (4) of the IPA shall organise the activity of the Interagency Council after the receipt of an application under Article 68c herein and, to this end:

1. shall receive and register the applications to make foreign direct investments submitted care of the InvestBulgaria Agency according to the procedure established by Article 27a of the IPA together with the accompanying documents, notifying within three days the members of the Council of an application received;

2. shall prepare, within 14 days, a reasoned proposal to the Interagency Screening Council:

(a) on non-objection to making the investment;

(b) for the conduct of due diligence of the investment.

(2) The proposals under Paragraph (1) shall be prepared on the basis of the criteria indicated in Article 4 of Regulation (EU) 2019/452, taking into consideration the following factors:

1. whether the foreign direct investment is likely to affect security or public order, considering the potential effects of the said investment on:

(a) critical infrastructure, whether physical or virtual, including energy, transport, water, health, communications, media, data processing or storage, aerospace, defence, electoral or financial infrastructure, and sensitive facilities, as well as land and real estate crucial for the use of such infrastructure;

(b) critical technologies and dual use items as defined in point 1 of Article 2 of Regulation (EU) 2021/821 of the European Parliament and of the Council of 20 May 2021 setting up a Union regime for the control of exports, brokering, technical assistance, transit and transfer of dual-use items, including artificial intelligence, robotics, semiconductors, cybersecurity, aerospace, defence, energy storage, quantum and nuclear technologies as well as nanotechnologies and biotechnologies;

(c) supply of critical inputs, including energy or raw materials, inter alia activities associated with crude oil and petroleum-derived products, as well as food security;

(d) access to sensitive information, including personal data, or the ability to control such information; or

(e) the freedom and pluralism of the media.

2. whether the foreign direct investment is likely to affect security or public order, taking into account in particular:

(a) whether the foreign investor is directly or indirectly controlled by the government, including state bodies or armed forces, of a third country, including through ownership structure or significant funding;

(b) whether the foreign investor has already been involved in activities affecting security or public order in a Member State; or

(c) whether there is a serious risk that the foreign investor engages in illegal or criminal activities.

Article 68f. (New, SG No. 59/2025, effective 22.07.2025) (1) Within ten days of receipt of the proposal referred to in Item 2 of Article 68e (1) herein together with the application to make a foreign direct investment, all documents accompanying the said applications and the opinions expressed by other authorities and institutions or external experts, the Interagency Screening Council shall adopt a decision:

1. admitting the making of the investment without due diligence;
2. on conduct of due diligence.

(2) The Interagency Screening Council shall have the right to require opinions from other authorities and institutions whose representatives are not included in the complement thereof.

(3) Should an expert opinion be necessary, the Interagency Screening Council, based on selection criteria of its own, may recruit consultants with special knowledge whereof the participation in the assessment of the investment does not entail a conflict of interest or a risk of a technological information leak and does not affect the interests of the investor. The opinions shall be of a consultative nature and shall be sent to the Interdepartmental Screening Council not later than 10 days after receipt of the request.

(4) Immediately before granting an authorisation to make a foreign direct investment, the Interagency Screening Council, care of the secretariat therewith, may request up-to-date information and documents from the investor for the purpose of a final assessment.

Article 68g. (New, SG No. 59/2025, effective 22.07.2025) (1) Where no objection on the part of a member of the Interagency Screening Council has been received within seven days after the dispatch of the reasoned proposal referred to in Item 2 (a) of Article 68e (1) herein admitting the making of the investment without due diligence, an authorisation to make a foreign direct investment shall be granted.

(2) Upon receipt of an objection from a member of the Interagency Screening Council with regard to the making of the investment, as well as on a proposal from the secretariat for due diligence, the Interagency Screening Council shall conduct due diligence of the investment and of the investor.

Article 68h. (New, SG No. 59/2025, effective 22.07.2025) (1) The due diligence of the investment and the investor shall be implemented by the Interagency Screening Council within the time limits for ruling under Article 27f (2) of the IPA and without prejudice to the rest of the authorisations according to the procedure established by the said Act or other laws. After the conduct of the due diligence, the Interagency Screening Council shall adopt a final decision whereby:

1. the Council shall grant an authorisation for making a foreign direct investment;
2. the Council shall grant a conditional authorisation for making a foreign direct investment;
3. the Council shall reject the application for granting a foreign direct investment authorisation.

(2) The authorisation referred to in Item 2 of Paragraph (1) shall be preceded by the conduct of negotiations between the investor and an empowered representative of the Interagency Screening Council. The empowerment shall be implemented by a decision of the Interagency Screening Council, which shall be adopted by a simple majority of all members and which shall indicate the specific powers that are vested in the representative.

(3) The negotiations shall commence after the opening of an invitation from the empowered person to the investor and shall continue not later than ten days before the expiry of the time limits referred to in Article 27f (2) and (9) of the IPA.

(4) The negotiations shall be carried out in writing, via an exchange of correspondence, and shall be concluded by a final agreement signed by the investor and the empowered representative of the Interagency Screening Council, which shall constitute an integral part of the authorisation to make a foreign direct investment.

(5) If the negotiations result in reaching agreement on restrictive measures within the meaning given by Item 2 of Article 27f (2) of the IPA, the Interagency Screening Council shall issue a conditional decision on making a foreign direct investment subject to the imposition of restrictive measures, which must be indicated in the decision.

(6) In case no agreement is reached within the time limit referred to in Paragraph (3), the parties shall sign a memorandum on the negotiations held, the negotiations shall be discontinued, and the Interagency Screening Council shall refuse to grant a foreign direct investment authorisation.

Chapter Nine **(New, SG No. 62/2010)** **CONTROL OVER THE PERFORMANCE OF** **INVESTMENT PROJECTS**

Article 69. (New, SG No. 62/2010, amended, SG No. 24/2013, effective 12.03.2013) (1) (Amended, SG No. 80/2025, effective 30.09.2025) Control over the execution of investment projects shall be exercised by:

1. (amended, SG No. 36/2014, effective 25.04.2014, SG No. 40/2015, SG No. 43/2022, effective 10.06.2022, SG No. 80/2025, effective 30.09.2025) the Executive Director of the Agency regarding the execution of investment projects which have been awarded a Class A and Class B investment certificate;

2. (amended, SG No. 80/2025, effective 30.09.2025) the Minister of Innovation and Growth or by an official empowered thereby or by another authority providing the promotion measure, regarding the application of the promotion measures.

(2) (Supplemented, SG No. 80/2025, effective 30.09.2025) The control referred to in Item 1 of Paragraph (1) shall be implemented in respect of the execution of the investment in terms of threshold amount of the commissioned assets and/or minimum number of new jobs created and period in the respective economic activity. Immediately after the start of works on the project within the meaning given by Item 8 of § 1 of the Supplementary Provisions of the IPA, the investor shall be obliged to notify the Agency, enclosing the relevant document certifying the date of start of works on the project, as well as information on the average number of employees on payroll for the 12-month period before the said date. Within three months after the expiry of the period for execution of the investment as specified in Item 4 of Article 12 (2) of the IPA, the investor shall be obliged to provide the Agency with the relevant supporting documents under Paragraph (3) and/or (4).

(3) (Supplemented, SG No. 95/2020, effective 6.11.2020, amended, SG No. 82/2022, effective 14.10.2022, amended and supplemented, SG No. 80/2025, effective 30.09.2025) The amount of the investments made shall be certified for the accounting period by a fact-finding report, documents on commissioned assets and an annual/interim financial statement according to the procedure established by the Accountancy Act. Information completed in a standard form (published on the Internet site of the IBA [InvestBulgaria Agency] and the MIG [Ministry of Innovations and Growth]), describing the project assets and the value thereof, shall be attached to the financial statement. The said information shall be prepared in accordance with the rules for recognition of tangible/intangible fixed assets (current/non-current) established in the IAS [International Accounting Standards] and the NFRSSME [National Financial Reporting Standards for Small- and Medium-Sized Enterprises], and shall be certified by a registered auditor according to the Independent Financial Audit Act. The expenses on the work of the auditor shall be borne by the investor. Where necessary, the control authority referred to in Paragraph (1) may require the presentation of additional documents by the investor. For the purposes of the assessment whether the assets described in the information concern the project economic activity or another ancillary activity, the control authority referred to in Paragraph (1) may carry out a factual check as well.

(4) (Amended, SG No. 95/2020, effective 6.11.2020, supplemented, SG No. 80/2025, effective 30.09.2025) The number of persons employed full-time under the terms and according to the procedure established by the Labour Code who have filled the newly created posts shall be certified for the accounting period by a document issued by the National Revenue Agency and information

3. (repealed, SG No. 80/2025, effective 30.09.2025).

Article 71. (New, SG No. 95/2020, effective 6.11.2020) (1) Control over the performance of contracts concluded for the application of the measures referred to in Articles 22a, 22b, 22c, 22e and 22f of the IPA shall be regulated in the relevant contract.

(2) The amount of the costs of acquisition of tangible and intangible fixed assets under the project shall be confirmed by a registered auditor.

(3) (Amended, SG No. 82/2022, effective 14.10.2022) In the contracts referred to in Articles 22c and 22e of the IPA, the amount of eligible costs and the fulfilment of the requirements regarding the creation and maintenance of employment and the costs of remunerations, social and health insurance and/or training shall be confirmed by a registered auditor on the basis of clear, specific and up-to date documentary evidence.

SUPPLEMENTARY PROVISIONS

§ 1. Within the meaning given by these Regulations:

1. (Repealed, SG No. 82/2022, effective 14.10.2022).

1a. (New, SG No. 82/2022, effective 14.10.2022, amended, SG No. 80/2025, effective 30.09.2025) "Regulation (EU) No. 651/2014" within the meaning given by these Regulations shall be Commission Regulation (EU) No. 651/2014 of 17 June 2014 declaring certain categories of aid compatible with the internal market in application of Articles 107 and 108 of the Treaty (OJ L 187/1 of 26 June 2014), as amended by Commission Regulation (EU) 2017/1084 of 14 June 2017 amending Regulation (EU) No. 651/2014 as regards aid for port and airport infrastructure,

notification thresholds for aid for culture and heritage conservation and for aid for sport and multifunctional recreational infrastructures, and regional operating aid schemes for outermost regions and amending Regulation (EU) No. 702/2014 as regards the calculation of eligible costs (OJ L 156/1 of 20 June 2017), Commission Regulation (EU) 2020/972 of 2 July 2020 amending Regulation (EU) No. 1407/2013 as regards its prolongation and amending Regulation (EU) No. 651/2014 as regards its prolongation and relevant adjustments (OJ L 215 of 7 July 2020), Commission Regulation (EU) 2021/1237 of 23 July 2021 (OJ L 270 of 29 July 2021), Commission Regulation (EU) 2023/917 of 4 May 2023 (OJ L 119 of 5 May 2023) and Commission Regulation (EU) 2023/1315 of 23 June 2023 (OJ L 167 of 30 June 2023), (OJ L 270 of 29 July 2021), Commission Regulation (EU) 2023/917 of 4 May 2023.

1b. (New, SG No. 82/2022, effective 14.10.2022, amended, SG No. 80/2025, effective 30.09.2025) "Regulation (EU) No. 2023/2831" within the meaning given by these Regulations shall be Commission Regulation (EU) No. 2023/2831 of 13 December 2023 on the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to de minimis aid (OJ L 2831 of 15 December 2023).

1c. (New, SG No. 59/2025, effective 22.07.2025) "Regulation (EU) 2019/452" within the meaning given by these Regulations shall be Regulation (EU) 2019/452 of the European Parliament and of the Council of 19 March 2019 establishing a framework for the screening of foreign direct investments into the Union.

2. (Amended, SG No. 80/2025, effective 30.09.2025) "Collateral" shall be any suretyship, bond, registered pledge, mortgage or promissory note which secures the fulfilment of an obligation under the contracts governed by these Regulations.

3. (Amended and supplemented, SG No. 20/2009, effective 17.03.2009, amended, SG No. 88/2015, effective 13.11.2015, SG No. 59/2025, effective 22.07.2025, SG No. 80/2025, effective 30.09.2025) "Large investment project" shall mean an initial investment with eligible costs exceeding EUR 50 million, calculated at prices and exchange rates by the date of granting of the aid.

4. (Amended, SG No. 88/2015, effective 13.11.2015) "Aid intensity in present gross grant equivalent of the aid" shall be the discounted value of the aid expressed as a percentage of the discounted value of the eligible costs at the applicable discount interest rate set by the European Commission at the time of grant of the aid.

5. "Market price" shall be the price at which the corporeal immovable should have been sold or the limited right in rem should have been created by virtue of a private contract between the seller and the potential buyer on the day of the appraisal, provided that the property was offered publicly, that the market conditions allow a normal transfer, and a normal period of time is available for conduct of the negotiations on sale consistent with the nature of the property.

6. (Repealed, SG No. 88/2015, effective 13.11.2015).

7. (Repealed, SG No. 88/2015, effective 13.11.2015).

8. (Amended, SG No. 20/2009, effective 17.03.2009, SG No. 88/2015, effective 13.11.2015) "Small and medium-sized enterprises" shall be the enterprises which satisfy the criteria defined in Annex I to Regulation (EU) No. 651/2014.

9. (New, SG No. 20/2009, effective 17.03.2009, amended, SG No. 88/2015, effective 13.11.2015) "Large enterprises" shall be the enterprises which do not satisfy the criteria defined in Annex I to Regulation (EU) No. 651/2014.

Section III. INVESTMENT PROJECT according to Article 12 and Article 18 (2) of the IPA

Subsection 1. Type and purpose of the investment in new tangible and/or intangible fixed assets for:

| | |
|--|--------------------------|
| 1. Setting-up of a new establishment (production site: enterprise, factory, office) | <input type="checkbox"/> |
| 1. Extension of the capacity of an existing establishment | <input type="checkbox"/> |
| 3. Diversification of the output of an establishment into products or services not previously produced in the establishment. | <input type="checkbox"/> |
| 4. A fundamental change in the overall production process of the product or products or the overall provision of the service or services concerned by the investment in the establishment | <input type="checkbox"/> |
| 5. Diversification of the activity of an establishment, provided that the new activity is not the same or a similar activity to the activity previously performed in the establishment. "Same or a similar activity" means an activity in the same class (four-digit numerical code) of the Statistical classification of economic activities. | <input type="checkbox"/> |

Investments in tangible and intangible fixed assets referred to in Item 1 of Article 12 (2) of the IPA are promoted according to the procedure established by the IPA and the RAIPA, taking into account the term 'establishment' within the meaning given by Article 2, point 49(a) of Regulation (EU) No 651/2014, and, respectively, the term 'стопански обект' in the official translation into Bulgarian of Article 2, point 49(a) of Regulation (EU) No 651/2014, provided that it refers to the investment (investment project) which is the object of aid. (The terms 'enterprise' and 'undertaking' within the meaning of Article 2, points (2), (18) and (24) of Regulation (EU) No. 651/2014, with their respective translation into Bulgarian as 'предприятие', and the term 'undertaking' within the meaning of Article 3(2) of Commission Regulation (EU) No. 2023/2831 of 13 December 2023 on the application of Articles 107 and 108 of the Treaty on the Functioning of the European Union to *de minimis* aid (OJ L 2831 of 15 December 2023), with its respective translation into Bulgarian as 'предприятие', refer to the entity receiving the aid and are differentiated from the term 'undertaking' under Item 1 of Article 12 (2) of the IPA representing the object of aid.)

*Note. In assisted areas fulfilling the conditions of Article 107(3)(c) of the TFEU ('c' areas), the aid may be granted to SMEs for any form of initial investment. Aid to large enterprises shall only be granted for an initial investment in favour of new economic activity in the area concerned (Article 52a (5) of the RAIPA). The type of area shall be determined according to the regional aid map approved by the European Commission for Bulgaria for the period concerned.

Request for information from the investor

This standardised form aims to cover all eventually needed information. However, it is recognized that not every requested information is available for every transaction. Therefore, the information requested in this form and marked with * should be provided to a reasonable extent in view of the respective type of transaction and at a reasonable cost on the side of the applicant. If the requested information is not available or could only be provided with a disproportionate effort, this should be noted in the appropriate section.

The fields not marked with * should always be filled in/out.

In the event that a complex verification is carried out, information marked as optional may also be required to be provided.

Complex verification is a process of processing and analyzing the information from this application, which may also include a requirement to provide optional information, in case the need is established.

^{lvii} 11.4. On the basis of the best information available, cf. Article 9(2)(e)) please explain the origin of the funds and the degree to which they come from external sources. If the investment subject to this notification is part of a broader transaction, please specify the funding of the investment into the companies established in the territory of the Member State undertaking the screening, as well as sources of funding for the transaction as a whole.

^{lviii} 11.5. Please explain why the investor is interested in making the investment and the circumstances of the investment by the target.

^{lix} 11.8. Please specify the votes conferred by the shares purchased as a percentage of the total number of votes, whether there are any specific voting rights arrangements, regime concerning effective participation in the management like veto rights or the right to appoint Board Members etc.

Before:

As a result of the transaction:

^{lx} 11.9. Please specify the votes conferred by the shares purchased as a percentage of the total number of votes, whether there are any specific voting rights arrangements, regime concerning effective participation in the management like veto rights or the right to appoint Board Members etc., or any other source of influence beyond voting or appointment rights.

^{lx} 11.10. Please specify the votes conferred by the shares purchased as a percentage of the total number of votes, whether there are any specific voting rights arrangements, regime concerning effective participation in the management like veto rights or the right to appoint Board Members etc.

^{lxi} 12.5. Please provide the EUR amount over the last fiscal year and please indicate if the fiscal year does not correspond to the calendar year.

^{lxii} 12.9. For example:

- direct recipient of the investment (target)
- significant intermediate entity
- global ultimate owner
- company group...

^{lxiii} 12.10. Art. 2.1 Regulation (EU) 2019/452: 'foreign direct investment' means an investment of any kind by a foreign investor aiming to establish or to maintain lasting and direct links between the foreign investor and the entrepreneur to whom or the undertaking to which the capital is made available in order to carry on an economic activity in a Member State, including investments which enable effective participation in the management or control of a company carrying out an economic activity.

^{lxiv} 12.12. Art. 2.1 Regulation (EU) 2019/45: 'foreign direct investment' means an investment of any kind by a foreign investor aiming to establish or to maintain lasting and direct links between the foreign investor and the entrepreneur to whom or the undertaking to which the capital is made available in order to carry on an economic activity in a Member State, including investments which enable effective participation in the management or control of a company carrying out an economic activity.

^{lxv} 12.13. Where available please provide the relevant classification of the products supplied by the target such as

- the relevant Export Control Code (see Annex I of Regulation (EU) 2021/821 of the EP and of the Council setting up a Union regime for the control of exports, brokering, technical assistance, transit and transfer of dual-use items)
- the relevant military items code according to the current Common Military List of the EU (equipment covered by the Council Common Position 2008/944/CFSP defining common rules governing the control of exports of military technology and equipment)
